

RAZOR SLIM SHOOTER FOLDING ELECTRONIC MUFF - WALKERS GAME EAR RAZOR SLIM ELECTRONIC MUFFS, KRYPTTEK HIGHLANDER

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Ear Muffs](#)

A Compact, Foldable Set of Hearing Protection Muffs

Users of over-ear hearing-protection muffs have always been plagued by the issues associated with extra bulk over their ears. For shooters, this is especially a problem, since in many cases, it prevents rifle shooters or shotgunners from getting a perfect cheek weld on their gun. The Walkers Razor Slim Electronic Muffs are designed to minimize those issues, thanks to a compact, slim design that can be folded down for easy storage. Each pair of Walkers XCEL Razor Slim Electronic Muffs features Sound Activated Compression, as well as Full Dynamic Range HD Speakers and two Hi-Gain Omnidirectional Microphones that all work in conjunction to provide premium sound reduction and enhancement in a compact package. The earmuffs are powered by two AAA batteries, and the redesigned headband provides enhanced comfort. The unit provides 23 decibels of sound reduction.

Attributes

RAZOR SLIM SHOOTER FOLDING ELECTRONIC MUFF SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Walkers Razor Slim Electronic Muffs. These ear muffs are designed to provide effective hearing protection while maintaining a slim profile for comfort and ease of use. This guide provides important safety information and instructions to ensure the safe and effective use of your product in accordance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is hearing protection during shooting activities.
- Regularly inspect the muffs for any signs of damage or wear. Do not use if damaged.
- Keep the product out of reach of children to prevent misuse or accidents.
- Always follow the manufacturer's instructions for use, maintenance, and storage.
- Be aware of your surroundings when using the muffs, as they may affect your ability to hear important sounds.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not expose the muffs to extreme temperatures, moisture, or direct sunlight for prolonged periods.
- Ensure that the muffs fit snugly over your ears for optimal sound reduction.
- Do not modify the muffs in any way, as this may compromise their effectiveness.
- Avoid using the muffs in environments where you may need to hear warning signals or alarms.
- Replace batteries as needed to ensure proper functioning of the electronic components.

Instructions for Installation and Usage

1. Battery Installation

- Open the battery compartment located on the headband.
- Insert two AAA batteries, ensuring the correct polarity is observed.
- Close the battery compartment securely.

2. Wearing the Muffs

- Adjust the headband to fit comfortably on your head.
- Position the ear cups over your ears, ensuring a snug fit.
- Check that the muffs are properly seated to maximize sound reduction.

3. Using the Electronic Features

- Turn on the muffs using the power switch.
- Adjust the volume settings to your preference using the designated controls.
- Ensure that the Sound Activated Compression feature is functioning properly by testing in a safe environment.

4. Storage

- Fold the muffs for compact storage when not in use.

- Store in a cool, dry place away from direct sunlight and moisture.

Disposal Instructions

- Dispose of the muffs in accordance with local regulations regarding electronic waste.
- Remove batteries before disposal and recycle them according to local battery recycling guidelines.
- Do not dispose of the muffs in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety or product support, please consult the manufacturer's website or customer service. Ensure you have your product details available when seeking assistance.

Thank you for prioritizing safety while using your Walkers Razor Slim Electronic Muffs. Enjoy your shooting experience while protecting your hearing!
