

# RAZOR SLIM SHOOTER FOLDING ELECTRONIC MUFF - WALKERS GAME EAR RAZOR SLIM ELECTRONIC MUFFS, CARBON

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Ear Muffs](#)

## A Compact, Foldable Set of Hearing Protection Muffs

Users of over-ear hearing-protection muffs have always been plagued by the issues associated with extra bulk over their ears. For shooters, this is especially a problem, since in many cases, it prevents rifle shooters or shotgunners from getting a perfect cheek weld on their gun. The Walkers Razor Slim Electronic Muffs are designed to minimize those issues, thanks to a compact, slim design that can be folded down for easy storage. Each pair of Walkers XCEL Razor Slim Electronic Muffs features Sound Activated Compression, as well as Full Dynamic Range HD Speakers and two Hi-Gain Omnidirectional Microphones that all work in conjunction to provide premium sound reduction and enhancement in a compact package. The earmuffs are powered by two AAA batteries, and the redesigned headband provides enhanced comfort. The unit provides 23 decibels of sound reduction.

## Attributes

- Name: [WALKERS GAME EAR RAZOR SLIM ELECTRONIC MUFFS, CARBON](#)
- Manufacturer: [WALKERS GAME EAR](#)
- Product no.: 100036634

# **Safety Instruction Guide for RAZOR SLIM SHOOTER FOLDING ELECTRONIC MUFF WALKERS GAME EAR RAZOR SLIM ELECTRONIC MUFFS, CARBON**

## **Introduction**

Thank you for choosing the RAZOR SLIM SHOOTER FOLDING ELECTRONIC MUFFS. These earmuffs are designed to provide effective hearing protection while ensuring comfort and ease of use. This guide contains important safety instructions and guidelines to help you use the product safely and effectively.

## **General Safety Guidelines**

- Ensure that the product is used only for its intended purpose as hearing protection during shooting or other loud activities.
- Always check the product for any signs of damage before use. Do not use if damaged.
- Keep the earmuffs out of reach of children and pets to avoid accidental use or injury.
- Do not expose the earmuffs to extreme temperatures, moisture, or direct sunlight for extended periods.
- Regularly inspect the earmuffs and replace any worn or damaged parts to maintain their effectiveness.
- Be aware of your surroundings while using the earmuffs, as they may limit your ability to hear important sounds.

## **Specific Safety Precautions for Use**

- The earmuffs provide a noise reduction rating (NRR) of 23 dB. This means they are effective at reducing harmful noise levels but do not eliminate all sound.
- Use the earmuffs whenever you are exposed to loud noises, such as gunfire or heavy machinery.
- Do not rely solely on the electronic features for safety. Always remain vigilant and aware of your environment.
- For children or individuals with smaller head sizes, ensure that the earmuffs fit properly to provide adequate protection.
- If you experience discomfort or pain while using the earmuffs, remove them immediately and consult a professional.

## **Instructions for Installation and Usage**

### **1. Fitting the Earmuffs:**

- Adjust the headband to ensure a snug fit over your head.
- Ensure that the ear cups fully cover your ears for optimal noise reduction.
- If necessary, adjust the ear cups to ensure they are aligned properly over your ears.

### **2. Powering the Earmuffs:**

- The earmuffs are powered by two AAA batteries. Ensure that you have fresh batteries installed before use.
- To install batteries, open the battery compartment located on the earmuffs. Insert the batteries as indicated by the polarity markings (+ and -).
- Close the battery compartment securely after installation.

### **3. Using the Electronic Features:**

- Turn on the earmuffs using the power switch located on the side.
- Adjust the volume controls to your preference. Ensure that the sound levels are comfortable and do not exceed safe levels.
- Use the earmuffs in environments where electronic sound enhancement can aid in situational awareness, such as hunting or shooting ranges.

#### **4. Folding for Storage:**

- To store the earmuffs, gently fold the ear cups inward towards the headband.
- Place the earmuffs in a dry, cool location to protect them from damage.

## **Disposal Instructions**

- Dispose of the earmuffs in accordance with local regulations regarding electronic waste and batteries.
- Remove the batteries before disposal and recycle them according to local battery recycling guidelines.
- Do not throw the earmuffs in regular household trash.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or product issues, please refer to the manufacturer's website or customer support channels.

This guide is designed to help you use the RAZOR SLIM SHOOTER FOLDING ELECTRONIC MUFFS safely and effectively. Please follow all instructions and safety precautions to ensure a positive experience with your product.
