

# SPORT SHOOTING GLASSES - WALKERS GAME EAR SPORT SHOOTING GLASSES-CLEAR

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Shooting Glasses](#)

## A Pair of Shooting Glasses Designed for Air Flow

Don't you hate it when your shooting glasses fog up right before you take that perfect shot? Walkers Sport Shooting Glasses are designed to provide improved air flow between your face and the lenses, so you won't have that foggy buildup that prevents you from shooting. The glasses are constructed from impact-resistant polycarbonate, and the lenses can be had in amber, yellow or clear options. Each pair of Walkers Sport Shooting Glasses are ANSI-approved and feature a ratcheting pitch-adjustment mechanism that allows you to get a perfect fit.

# Safety Instruction Guide for Walkers Sport Shooting Glasses

## Introduction

Thank you for choosing Walkers Sport Shooting Glasses. These glasses are designed to enhance your shooting experience while ensuring your safety. This guide provides important safety instructions and guidelines to help you use your shooting glasses effectively and responsibly.

## General Safety Guidelines

- Ensure that the glasses are suitable for your specific shooting activities.
- Always inspect the glasses before use for any signs of damage or wear.
- Do not use the glasses if they are scratched, cracked, or otherwise compromised.
- Keep the glasses clean and free of debris to maintain optimal visibility.
- Follow all local laws and regulations regarding eye protection while shooting.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- The glasses are impactresistant; however, they are not shatterproof. Avoid exposing them to extreme impacts or conditions.
- Do not modify the glasses in any way, as this can compromise their safety features.
- Use the glasses only for their intended purpose—protection while shooting.
- Avoid using the glasses for activities that could lead to excessive fogging, such as extreme physical exertion in high humidity.
- Ensure that the glasses fit properly to avoid slipping or falling during use.
- If you experience discomfort or impaired vision while using the glasses, discontinue use immediately.

## Instructions for Installation and Usage

### 1. Fitting the Glasses:

- Adjust the ratcheting pitchadjustment mechanism to achieve a comfortable fit.
- Ensure that the glasses sit snugly against your face without obstructing your vision.

### 2. Cleaning the Lenses:

- Use a soft, lintfree cloth to clean the lenses.
- Avoid using harsh chemicals or abrasive materials that could scratch the lenses.

### 3. Storage:

- Store the glasses in a protective case when not in use to prevent scratches and damage.
- Keep the glasses out of direct sunlight and extreme temperatures to maintain lens integrity.

### 4. Wearing the Glasses:

- Always wear the glasses while shooting to protect your eyes from debris and projectiles.
- Ensure that the lenses are clear and free of fog before taking a shot.

## **Disposal Instructions**

- Dispose of the glasses responsibly when they are no longer usable.
- Check local regulations for proper disposal methods of plastic and polymer materials.
- If the glasses are damaged, recycle them if possible or dispose of them in accordance with local waste management guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of your Walkers Sport Shooting Glasses, please refer to the manufacturer's website or customer service for assistance.

Thank you for prioritizing your safety while enjoying your shooting activities. Your attention to these guidelines will help ensure a safer experience for yourself and those around you.
