

FN 509 SLIDE MAINTENANCE KIT - APEX TACTICAL SPECIALTIES INC FN 509 SLIDE MAINTENANCE KIT

[Handgun Parts](#) > [Action Parts](#) > [Spring Kits](#)

A Complete Replacement Kit for Your FN 509 Pistol Slide

Modern-day handguns are filled with springs that ensure reliable functioning through thousands of rounds, but springs are wear components that must be replaced at intervals to ensure proper functioning of your handgun. This Apex Tactical Slide Maintenance Kit includes all the springs you need to keep your FN 509 handgun running right. Each spring in the Apex Tactical FN 509 Slide Maintenance Kit is designed as a direct, drop-in replacement for the OEM springs in your handgun slide. All of the springs are designed to work for 10,000 rounds before needing replacement. The springs in this Apex Tactical Slide Maintenance Kit will work for all FN 509 models, including the Midsize, Tactical and Midsize MRD. The kit will not work with the FNS, FNS Longslide or the FNS Compact.

FN 509 Slide Maintenance Kit Safety Instruction Guide

Introduction

Thank you for choosing the FN 509 Slide Maintenance Kit from Apex Tactical Specialties Inc. This guide provides important safety instructions to ensure the safe and effective use of your maintenance kit. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that you are familiar with the FN 509 handgun and its components before using the Slide Maintenance Kit.
- Always handle firearms with care and follow all safety protocols related to firearms handling.
- Keep the FN 509 Slide Maintenance Kit out of reach of children and unauthorized individuals.
- Use the kit only for its intended purpose, which is to replace worn springs in the FN 509 handgun.
- Regularly inspect your FN 509 handgun and its components for wear and damage.
- In case of any uncertainty or questions regarding the use of the kit, consult a qualified gunsmith or firearm expert.

Specific Safety Precautions for Use

- Only use the springs provided in the Apex Tactical FN 509 Slide Maintenance Kit as direct replacements for the OEM springs.
- Ensure that the handgun is unloaded and the magazine is removed before starting any maintenance work.
- Always wear appropriate safety gear, such as safety glasses, when performing maintenance on your handgun.
- Do not attempt to modify or alter the springs or any other components in the kit.
- If you notice any unusual behavior in your handgun after installation, cease use immediately and consult a qualified professional.

Instructions for Installation and Usage

1. Preparation

- Ensure your FN 509 handgun is unloaded and pointed in a safe direction.
- Gather all necessary tools and the FN 509 Slide Maintenance Kit.

2. Disassembly of Handgun

- Follow the manufacturer's instructions to safely disassemble the FN 509 handgun.
- Remove the slide from the frame and set aside.

3. Removing Old Springs

- Carefully remove the old springs from the slide, taking note of their positions and orientation.
- Dispose of the old springs properly, following local regulations.

4. Installing New Springs

- Take the new springs from the Apex Tactical FN 509 Slide Maintenance Kit.
- Install each spring as a direct drop-in replacement, ensuring proper alignment and orientation.

- Doublecheck that all springs are securely in place.

5. Reassembly of Handgun

- Reassemble the FN 509 handgun according to the manufacturer's instructions.
- Ensure that all components are properly secured before use.

6. Testing

- Conduct a function check of the handgun to ensure all components are working correctly.
- If any issues arise, consult a qualified gunsmith.

Disposal Instructions

- Dispose of any old springs or components in accordance with local regulations.
- Do not dispose of springs in a manner that could pose a risk to the environment or public safety.

Contact Information for Further Support

For any inquiries or further support regarding the FN 509 Slide Maintenance Kit, please refer to the manufacturer's website or contact their customer service team.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of your FN 509 Slide Maintenance Kit. Always prioritize safety and consult professionals when in doubt. Thank you for your commitment to responsible firearm maintenance.
