

SIG SAUER P365 XL X-FLUTED MATCH GRADE BARRELS - SIG P365 XL X-FLUTED MATCH GRADE NON-THRD 3.7" BBL STAINLESS

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

A Match-Grade Barrel for Your SIG Sauer P365 XL

SIG Sauer expanded its lineup of P365 pistols in 2019 with the addition of the enlarged XL model, which makes it easier for shooters to get on target, thanks to the expanded sight radius and larger grip. Want to enhance this platform even more? Get your hands on these X-Fluted Match-Grade Barrels that are built specifically for the P365 XL. Machined from stainless steel, these SIG Sauer P365 XL X-Fluted Match Grade barrels are designed to be drop-in components that provide greater accuracy and precision than SIG's OEM barrels. The barrels are rifled with a 6-groove, broach-cut design, which allows all ammo types to be used in the gun, even cast-lead rounds! Each P365 XL X-Fluted Match Grade Barrel features an 11-degree target crown, and threaded barrels are available with 1/2-28 TPI thread pitches. The barrels feature a fully supported, SAAMI-spec chamber, along with added chamfers, radius cuts and other high-quality touches. A range of finish options are available, and the barrels are available in 9mm only.

SIG SAUER P365 XL XFLUTED MATCH GRADE BARRELS Safety Instruction Guide

Introduction

Thank you for choosing the SIG SAUER P365 XL XFluted Match Grade Barrels. This guide provides essential safety information, usage instructions, and disposal guidelines to ensure safe and effective use of your new product. Please read this manual carefully before installation and use.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the barrel by following all instructions. The product is designed for nonfood use and should be handled with care.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. You can check for updates on the EU Safety Gate platform.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For safety inquiries, ensure you have access to the EU contact point associated with this product.
- **Rapid Alerts:** Be aware of updates regarding unsafe products. Regularly check the Safety Gate system for information.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear appropriate PPE, including safety glasses and hearing protection, when using firearms.
- **Proper Handling:** Handle the barrel with care. Avoid dropping or damaging it to prevent any safety hazards.
- **Installation Precautions:** Ensure that the firearm is unloaded before installing or replacing the barrel.
- **Compatibility Check:** Confirm that the barrel is compatible with your specific model (P365 XL) before installation.
- **Storage:** Store the barrel in a safe and secure location, away from moisture and extreme temperatures.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools for installation, such as a wrench and cleaning supplies.

2. Installation Steps:

- Remove the existing barrel from the firearm by following the manufacturer's instructions.
- Clean the chamber and barrel area to remove any debris or fouling.
- Insert the SIG SAUER P365 XL XFluted Match Grade Barrel into the firearm.
- Secure the barrel according to the manufacturer's specifications, ensuring it is properly aligned.
- Check for any gaps or misalignment before proceeding.

3. Usage Instructions:

- Once installed, conduct a function check to ensure the firearm operates correctly with the new barrel.
- Use only recommended ammunition types (9mm Luger) to maintain safety and performance.

- Regularly clean the barrel to maintain accuracy and prevent fouling.
- If you notice any issues or irregularities during use, cease operation immediately and consult a qualified gunsmith.

Disposal Instructions

- **Disposal of Used Barrels:** When disposing of old or damaged barrels, follow local regulations regarding hazardous materials.
- **Recycling:** Check with local recycling facilities to see if they accept metal components.
- **Environmental Considerations:** Do not dispose of firearms or parts in regular trash. Follow environmentally responsible disposal practices.

Contact Information for Further Support

For further assistance or inquiries regarding safety, installation, or usage, please refer to the manufacturer's official website or contact your retailer.

Please ensure to follow these guidelines for safe and effective use of the SIG SAUER P365 XL XFluted Match Grade Barrels. Your safety is our priority.
