## A Match-Grade Barrel for Your SIG Sauer P365 XL

SIG Sauer expanded its lineup of P365 pistols in 2019 with the addition of the enlarged XL model, which makes it easier for shooters to get on target, thanks to the expanded sight radius and larger grip. Want to enhance this platform even more? Get your hands on these X-Fluted Match-Grade Barrels that are built specifically for the P365 XL. Machined from stainless steel, these SIG Sauer P365 XL X-Fluted Match Grade barrels are designed to be drop-in components that provide greater accuracy and precision than SIG's OEM barrels. The barrels are rifled with a 6-groove, broach-cut design, which allows all ammo types to be used in the gun, even cast-lead rounds! Each P365 XL X-Fluted Match Grade Barrel features an 11-degree target crown, and threaded barrels are available with 1/2-28 TPI thread pitches. The barrels feature a fully supported, SAAMI-spec chamber, along with added chamfers, radius cuts and other high-quality touches. A range of finish options are available, and the barrels are available in 9mm only.

## Attributes

- Name: [SIG P365 XL X-FLUTED MATCH GRADE NON-THRD 3.7" BBL BLK NITRD](#)

# Safety Instruction Guide for SIG SAUER P365 XL XFLUTED MATCH GRADE BARRELS

## Introduction

Thank you for choosing the SIG Sauer P365 XL XFluted Match Grade Barrels. This guide provides essential safety information, usage instructions, and disposal guidelines to ensure your safety and the optimal performance of your product. Please read this guide carefully before using your barrel.

## General Safety Guidelines

- Ensure safe use of all products by following the instructions provided.
- Be aware of potential risks associated with the use of firearms and firearm accessories.
- Regularly check for product recalls and updates through the EU's Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities.
- Special care should be taken if the product is accessed by vulnerable groups, including children.

## Specific Safety Precautions for Use

- Always treat your firearm as if it is loaded.
- Ensure the barrel is compatible with your SIG Sauer P365 XL before installation.
- Use only ammunition that is recommended for use with the SIG Sauer P365 XL.
- Inspect the barrel for any signs of damage or wear before each use.
- Do not modify the barrel or firearm in any way that could compromise safety.
- Always wear appropriate eye and ear protection when shooting.
- Store firearms and ammunition securely, out of reach of children and unauthorized users.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the existing barrel from your SIG Sauer P365 XL by following the manufacturer's instructions.
- Carefully insert the SIG Sauer P365 XL XFluted Match Grade Barrel into the slide.
- Ensure the barrel is seated properly and securely.
- Reassemble your firearm according to the manufacturer's specifications.

### 2. Usage:

- Always verify that the firearm is unloaded before handling.
- Use the firearm in a safe environment, following all local laws and regulations.
- Regularly clean and maintain your barrel to ensure optimal performance.
- If you experience any malfunctions or irregularities during use, cease operation immediately and consult a qualified gunsmith.

## Disposal Instructions

- Dispose of the barrel in accordance with local regulations.
- Ensure the barrel is rendered inoperable before disposal.
- Do not dispose of the barrel in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the SIG Sauer P365 XL XFluted Match Grade Barrels, please consult the manufacturer's website or contact your local retailer for assistance.

By following these safety guidelines and instructions, you can enjoy the enhanced performance of your SIG Sauer P365 XL XFluted Match Grade Barrels while ensuring the safety of yourself and others. Thank you for your attention to these important safety measures.
