## A Match-Grade Barrel for Your SIG Sauer P365 XL

SIG Sauer expanded its lineup of P365 pistols in 2019 with the addition of the enlarged XL model, which makes it easier for shooters to get on target, thanks to the expanded sight radius and larger grip. Want to enhance this platform even more? Get your hands on these X-Fluted Match-Grade Barrels that are built specifically for the P365 XL. Machined from stainless steel, these SIG Sauer P365 XL X-Fluted Match Grade barrels are designed to be drop-in components that provide greater accuracy and precision than SIG's OEM barrels. The barrels are rifled with a 6-groove, broach-cut design, which allows all ammo types to be used in the gun, even cast-lead rounds! Each P365 XL X-Fluted Match Grade Barrel features an 11-degree target crown, and threaded barrels are available with 1/2-28 TPI thread pitches. The barrels feature a fully supported, SAAMI-spec chamber, along with added chamfers, radius cuts and other high-quality touches. A range of finish options are available, and the barrels are available in 9mm only.

## Attributes

- Name: [TRUE PRECISION SIG P365 XL X-FLUTED MATCH GRADE THREADED 3.7" BBL STAINLESS](#)

# SIG SAUER P365 XL XFLUTED MATCH GRADE BARRELS SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the SIG Sauer P365 XL XFluted Match Grade Barrels by True Precision. This guide provides essential safety instructions and information to ensure the safe and effective use of your new barrel. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm and its components.
- Always treat every firearm as if it is loaded.
- Store firearms and ammunition securely, away from children and unauthorized users.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Use only compatible ammunition specified for the SIG P365 XL.
- Regularly inspect your barrel for wear and damage before use.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when shooting.
- Do not modify the barrel or any other firearm components beyond manufacturer specifications.
- Avoid using damaged or worn ammunition, as this may lead to malfunctions or accidents.
- Ensure that the barrel is properly installed and securely fastened before use.
- Be aware of your surroundings and ensure a safe shooting environment.
- Avoid shooting at hard surfaces or water, as ricochets can occur.

## Instructions for Installation and Usage

### Installation Instructions

1. **Ensure Safety:** Before beginning installation, ensure that the firearm is unloaded and pointed in a safe direction.
2. **Remove the Existing Barrel:**
  - Disassemble the firearm according to the manufacturer's instructions.
  - Remove the existing barrel from the slide.
3. **Install the New Barrel:**
  - Insert the SIG Sauer P365 XL XFluted Match Grade Barrel into the slide.
  - Ensure that the barrel is seated properly and aligned with the locking lugs.
4. **Reassemble the Firearm:**
  - Reassemble the firearm according to the manufacturer's instructions.
  - Ensure all components are securely fastened.
5. **Function Check:**
  - Perform a function check to ensure proper operation before live firing.

### Usage Instructions

- Always follow the manufacturer's guidelines for ammunition usage.
- Clean and maintain the barrel regularly to ensure optimal performance.
- After each use, inspect the barrel for any signs of wear or damage.
- If any issues are detected, cease use immediately and consult a qualified gunsmith.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the barrel is damaged beyond repair, consult local regulations for safe disposal methods.
- Do not discard the barrel in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding your SIG Sauer P365 XL XFluted Match Grade Barrels, please contact the manufacturer directly through their official channels.

By following these safety instructions, you can ensure a safer shooting experience with your SIG Sauer P365 XL XFluted Match Grade Barrels. Thank you for your attention to safety and responsible firearm use.
