

SIG SAUER P365 XL X-FLUTED MATCH GRADE BARRELS - TRUE PRECISION SIG P365 XL X-FLUTED MATCH GRADE THREADED 3.7" BBL BLK NITRD

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

A Match-Grade Barrel for Your SIG Sauer P365 XL

SIG Sauer expanded its lineup of P365 pistols in 2019 with the addition of the enlarged XL model, which makes it easier for shooters to get on target, thanks to the expanded sight radius and larger grip. Want to enhance this platform even more? Get your hands on these X-Fluted Match-Grade Barrels that are built specifically for the P365 XL. Machined from stainless steel, these SIG Sauer P365 XL X-Fluted Match Grade barrels are designed to be drop-in components that provide greater accuracy and precision than SIG's OEM barrels. The barrels are rifled with a 6-groove, broach-cut design, which allows all ammo types to be used in the gun, even cast-lead rounds! Each P365 XL X-Fluted Match Grade Barrel features an 11-degree target crown, and threaded barrels are available with 1/2-28 TPI thread pitches. The barrels feature a fully supported, SAAMI-spec chamber, along with added chamfers, radius cuts and other high-quality touches. A range of finish options are available, and the barrels are available in 9mm only.

Attributes

Safety Instruction Guide for SIG SAUER P365 XL XFLUTED MATCH GRADE BARRELS

Introduction

Thank you for choosing the SIG SAUER P365 XL XFluted Match Grade Barrels by TRUE PRECISION. This guide provides essential safety information and instructions for the proper use and maintenance of your product. Please read this guide carefully to ensure safe handling and operation.

General Safety Guidelines

- Ensure that you are of legal age to possess and use firearms and firearm accessories in your jurisdiction.
- Always treat every firearm as if it is loaded, regardless of the circumstances.
- Store this product and all firearms in a secure location, out of reach of children and unauthorized users.
- Inspect the barrel before each use for any signs of damage or wear.
- Always wear appropriate safety equipment, including eye and ear protection, when handling firearms.
- Familiarize yourself with local laws and regulations regarding the use of firearms and firearm accessories.

Specific Safety Precautions for Use

- Only use ammunition that is specified for the SIG P365 XL. Using incorrect ammunition can lead to malfunction or injury.
- Avoid using lead or other nonjacketed ammunition unless the barrel is specifically designed for it.
- Always ensure that the firearm is unloaded before installing or removing the barrel.
- Do not attempt to modify the barrel or firearm in any way that is not specified by the manufacturer.
- Be aware of your surroundings and ensure that you have a safe and appropriate backstop when firing.
- If you experience a malfunction, cease firing immediately and inspect the firearm and barrel for issues.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Remove the slide from the P365 XL according to the manufacturer's instructions.
- Carefully remove the existing barrel from the slide.
- Insert the SIG SAUER P365 XL XFluted Match Grade Barrel into the slide, ensuring it is seated properly.
- Replace the slide onto the frame and ensure it is securely locked in place.

2. Usage:

- Confirm that the firearm is loaded with the appropriate ammunition.
- Aim the firearm in a safe direction and engage the target.
- Follow standard shooting practices and maintain proper trigger discipline.
- After use, clean and maintain the barrel according to the manufacturer's recommendations.

Disposal Instructions

- When disposing of the barrel or any firearm components, follow local regulations regarding hazardous materials.
- Ensure that all components are rendered unusable before disposal.
- Consider recycling metal components where applicable, using designated recycling facilities.

Contact Information for Further Support

For further support or inquiries regarding safety or product information, please refer to the manufacturer's official website or customer service resources.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is paramount. Always prioritize responsible use and handling of firearms and firearm accessories.
