

MAG-AD EJECTOR REPLACEMENT KIT - STERN DEFENSE MAG-AD EJECTOR REPLACEMENT KIT

[Home](#)

An OEM Replacement Kit for Your Mag-AD Series Ejector

While the Stern Defense Mag-AD Series of Ejectors are durably build, ejectors are one of those components that can break after long periods of use. Having a spare on-hand to keep your gun running is a smart idea, and this Mag-AD Series Ejector Replacement Kit is an OEM replacement for your gun's Mag-AD ejector. The unit is made from heat-treated 1050 spring steel, and the electroless-Nickel-coating will provide you with an extended service life and protection against corrosion.

MAGAD EJECTOR REPLACEMENT KIT SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the MAGAD Ejector Replacement Kit by Stern Defense. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this document carefully before installation and usage.

General Safety Guidelines

- Ensure that all safety measures are followed when handling and installing the ejector replacement kit.
- This product is designed for use in firearms. Always treat firearms as if they are loaded.
- Keep the kit and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the ejector and related components for wear or damage.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as eye protection, when working with firearms.
- Ensure that the firearm is unloaded before beginning any installation or maintenance work.
- Do not attempt to use the ejector replacement kit if you are not familiar with firearm maintenance. Seek professional assistance if needed.
- Be aware of the potential hazards associated with handling firearm components, including sharp edges and small parts that may pose a choking hazard.
- Do not modify or alter the ejector replacement kit in any way.
- If you experience any issues during installation or operation, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is completely unloaded and in a safe condition.
- Gather necessary tools, including screwdrivers and any other required equipment.

2. Installation Steps

- Remove the existing ejector from the firearm according to the manufacturer's instructions.
- Carefully unpack the MAGAD Ejector Replacement Kit.
- Install the new ejector by aligning it properly within the firearm's designated area.
- Secure the ejector using the original screws or any provided fasteners, ensuring they are tightened to the manufacturer's specifications.

3. PostInstallation Check

- Once installed, conduct a thorough inspection to ensure that the ejector is securely in place.
- Perform a function check of the firearm to ensure proper operation.
- If any issues are detected, consult a qualified gunsmith for assistance.

Disposal Instructions

- Dispose of any old or damaged ejectors and components in accordance with local waste disposal regulations.
- Do not throw away firearm components in regular household trash. Check for local recycling or hazardous waste disposal options.

Contact Information for Further Support

For any questions or concerns regarding the MAGAD Ejector Replacement Kit, please consult the manufacturer or a qualified gunsmith for assistance.

Thank you for prioritizing safety while using the MAGAD Ejector Replacement Kit. Your attention to these guidelines helps ensure a safe and enjoyable experience.
