

# 40/40 AMMO POCKET - ARMAGEDDON GEAR 40/40 AMMO POCKET S/A MULTICAM

[Shooting Accessories](#) > [Ammunition Storage](#) > [Ammo Boxes](#)

If you've ever fought with wet cardboard ammo boxes in the bottom of your pack during a rainy match day, or tried to stick a big plastic box of your reloads in your backpack to bang around and get broken then you already understand what the big deal is. The 40/40 Ammo Holder (plus the couple loaded mags you have on hand) finally provides a secure and quiet way to tote enough ammo for a day of match shooting in all conditions. Opposing Velcro on the back of each panel lets you keep two halves together for a match day, just take half for a quick range trip, or stick these on the loop Velcro fields common to many packs and cases. This is one of those solutions that you instantly love once you try it out. Holds 80 rounds of ammo as lovingly as a brown paper sack cradles an ice-cold cold 40. Hard plastic ammo inserts are included, but the inserts from Hornady ammo fit perfectly, too. Available in Short Action model (6mm, 6.5 Creedmoor, 308 Winchester, etc.) Short Action Magnum coming soon. Like everything we manufacture, the 40/40 Ammo Holder is proudly made in the USA.

## Attributes

- Name: [ARMAGEDDON GEAR 40/40 AMMO POCKET S/A MULTICAM](#)

# 40/40 Ammo Pocket Safety Instructions

## Introduction

Thank you for choosing the 40/40 Ammo Pocket by Armageddon Gear. This product is designed to securely hold ammunition for your shooting needs while ensuring safe usage. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Always handle ammunition and firearms with care and respect.
- Ensure that the product is used in accordance with local laws and regulations regarding ammunition storage and transportation.
- Keep the ammo pocket out of reach of children and unauthorized users.
- Regularly inspect the 40/40 Ammo Pocket for any signs of wear or damage before use.
- If you notice any defects or issues, discontinue use immediately and contact the manufacturer for assistance.
- Follow all safety protocols for handling ammunition and firearms during transport and usage.

## Specific Safety Precautions for Use

- Ensure that the ammo pocket is securely closed and that ammunition is properly seated within the holders to prevent accidental spills.
- Avoid exposing the ammo pocket to extreme temperatures, moisture, or direct sunlight for prolonged periods.
- Do not overload the ammo pocket beyond its capacity of 80 rounds.
- When transporting the ammo pocket, secure it within your backpack or case to prevent movement that could lead to damage or accidental discharge.
- Always doublecheck that firearms are unloaded before placing them in proximity to the ammo pocket.

## Instructions for Installation and Usage

### 1. Loading Ammunition:

- Open the ammo pocket by unfastening the Velcro closures.
- Place your ammunition into the designated holders, ensuring that each round is properly seated.
- Close the ammo pocket securely by pressing the Velcro closures back together.

### 2. Transporting the Ammo Pocket:

- When ready to transport, ensure the ammo pocket is firmly secured within your backpack or case.
- If using the Velcro attachment, ensure it is properly adhered to the loop Velcro fields of your pack.

### 3. Using the Ammo Pocket at the Range:

- For a quick range trip, simply take half of the ammo pocket, if desired.
- Always keep the ammo pocket closed when not in use to prevent dirt and debris from entering.

### 4. Cleaning and Maintenance:

- Clean the exterior of the ammo pocket with a damp cloth as needed.
- Avoid using harsh chemicals or solvents that may damage the material.

## **Disposal Instructions**

- Dispose of the 40/40 Ammo Pocket in accordance with local waste management regulations.
- If the product is damaged beyond repair, consider recycling the materials where possible.
- Ensure that any remaining ammunition is disposed of safely and in accordance with local laws.

## **Contact Information for Further Support**

For any questions or concerns regarding the 40/40 Ammo Pocket, please refer to the product packaging or visit the manufacturer's website for assistance. Remember to keep the product receipt and any warranty information for future reference.

Thank you for your attention to these safety instructions. Enjoy using your 40/40 Ammo Pocket responsibly and safely!
