# Safety Instruction Guide for the AR15 GRIPNRIP Ambidextrous Charging Handle 5.56MM

## Introduction

Thank you for choosing the Daniel Defense GRIPNRIP Ambidextrous Charging Handle. This guide provides essential safety information and instructions to ensure safe and effective use of your product. Please read this guide carefully before installation and usage.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your AR15 rifle before using the GRIPNRIP Charging Handle.
- Always treat every firearm as if it is loaded.
- Keep the charging handle and your firearm away from children and unauthorized users.
- Inspect the charging handle for any damage or wear before each use. Do not use if damaged.
- Follow all local, state, and federal laws regarding firearm use and handling.
- Use appropriate safety gear, including eye protection, when handling firearms.

## Specific Safety Precautions for Use

- The GRIPNRIP Charging Handle is designed for ambidextrous use. Ensure that you are using the handle correctly for your dominant hand.
- Avoid placing your face directly over the charging handle during operation to prevent injury from gas blowback.
- Ensure the rifle is pointed in a safe direction at all times when operating the charging handle.
- Do not attempt to modify or alter the charging handle in any way, as this may compromise its safety and functionality.
- If you experience any malfunction or unusual behavior during use, stop using the product immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your AR15 rifle is unloaded and pointed in a safe direction.
- Remove the existing charging handle by pulling it out of the receiver.
- Insert the GRIPNRIP Charging Handle into the receiver, ensuring it is properly aligned.
- Confirm that the handle is securely in place and operates smoothly.

### 2. Usage:

- To charge the rifle, grip the enlarged ergonomic handles firmly with your dominant hand.
- Pull the handle back firmly to the rear, ensuring a complete cycle.
- Release the handle to allow it to return to the forward position.
- Always check the chamber to ensure it is clear before proceeding to fire.

## Disposal Instructions

- Dispose of the GRIPNRIP Charging Handle in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the charging handle in regular trash. Contact local waste management for proper disposal methods.
