Safety Instruction Guide for the AR15 Tactical Hunter 300 HAM'R

Introduction

Thank you for choosing the AR15 Tactical Hunter 300 HAM'R. This guide provides essential safety instructions to ensure the safe use and handling of your firearm. It is crucial to understand and follow these guidelines to prevent accidents and ensure compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your target and what is beyond it.
- Store firearms securely and out of reach of children and unauthorized users.
- Regularly inspect your firearm for any signs of wear or damage.
- Use appropriate personal protective equipment (PPE) such as ear and eye protection when shooting.
- Follow all local laws and regulations regarding firearm ownership and usage.

Specific Safety Precautions for Use

- Ensure the firearm is unloaded when not in use.
- Do not modify the firearm in any way that may affect its safety or functionality.
- Use only the recommended ammunition (300 HAM'R) for this firearm.
- Be cautious of environmental conditions that may affect shooting, such as wind or poor visibility.
- Do not shoot at hard surfaces or water to avoid ricochets.
- Always have a first aid kit available when shooting.

Instructions for Installation and Usage

Installation

- Ensure the firearm is unloaded before any installation.
- Follow the manufacturer's instructions for any accessories or modifications.
- Check that all components are securely attached before use.

Usage

- Before shooting, ensure that the firing range is clear of people and obstacles.
- Load the magazine with the correct ammunition (20 rounds maximum).
- Insert the magazine into the firearm until it clicks into place.
- Pull back the charging handle to chamber a round.
- Aim at your target and ensure that your finger is off the trigger until ready to shoot.
- After shooting, keep the firearm pointed downrange and remove the magazine.
- Pull the charging handle to eject any chambered round.

Disposal Instructions

- Dispose of unused ammunition and firearm parts according to local regulations.
- For the disposal of the firearm itself, consult with a licensed firearms dealer or local authorities for safe disposal methods.
- Ensure that all components are rendered inoperable before disposal.
