

G9 TRAINING MAGAZINE FOR GLOCK™ 9MM/40S&W DOUBLE STACK - DRYFIREMAG G9 FOR GLOCK 9MM/40S&W SPRING PACK

[Shooting Accessories](#) > [Training & Safety Gear](#) > [Training & Simulation](#)

The DryFireMag is the only trigger reset mechanism that fits in the magazine well of pistols, allows practice without racking the slide to build proper muscle memory, and replicates the feel of real trigger release. The DryFireMag gives you an audible and tactile response with each press of the trigger yet does not use the firing pin and requires no alterations to your handgun allowing you to go from the range to dry fire practice with ease. Available as the Standard Trigger Weight and the Spring Pack. The Standard Trigger Weight comes pre-set for the Glock factory trigger weight of 5.5-6lbs. The Spring Pack model comes with 5 additional springs you can change out to achieve different trigger pull weights. Springs included provide the following pull weights in addition to the factory 5.5-6lbs. 3 ¼ - 3 3/4lbs 4 ½ - 4 3/4lbs. 6 ¾ - 7 1/4lbs. 8 ½ - 9lbs. 10lbs These DryFireMags will fit the following models: 9mm G17 G19 G19X G45 G26 G34 .40 S&W G22 G23 G27 G35 .357 Sig G31 G32 G33 .45 GAP G37 G38 G39 Not compatible with single stack pistols. Please note, firing pin activated laser trainers will not work with the DryFireMag. Set at factory trigger pull weight. Included with the DryFireMag is one lighter spring to lighten trigger pull and an Allen wrench to adjust pretravel, if needed.

G9 Training Magazine for Glock™ Safety Instructions

Introduction

Thank you for choosing the G9 Training Magazine for Glock™. This product is designed to enhance your dry fire training experience by providing a safe and effective way to practice trigger control without the need for live ammunition. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

General Safety Guidelines

- Always treat the G9 Training Magazine as if it is a loaded firearm.
- Ensure your handgun is unloaded before inserting the G9 Training Magazine.
- Do not use the G9 Training Magazine with live ammunition.
- Keep the G9 Training Magazine out of reach of children and unauthorized users.
- Regularly inspect the magazine for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the firing pin activated laser trainers are not used with the G9 Training Magazine, as they are incompatible.
- Do not modify the G9 Training Magazine or your handgun in any way that could compromise safety.
- Use only the recommended spring weights to avoid triggering unintended consequences during training.
- Always use the G9 Training Magazine in a safe environment, away from others who may be harmed by accidental discharge.
- Follow all local laws and regulations regarding the use of training devices.

Instructions for Installation and Usage

1. Installation:

- Ensure your Glock handgun is completely unloaded.
- Insert the G9 Training Magazine into the magazine well of your Glock until it clicks into place.
- Verify that it is securely seated.

2. Using the G9 Training Magazine:

- With the G9 Training Magazine installed, practice your trigger pull without the need to rack the slide.
- You will feel an audible and tactile response with each trigger press, simulating the feel of a real trigger release.
- To adjust the trigger pull weight, use the included lighter spring and Allen wrench to change the spring as needed.

3. PostUse:

- After training, remove the G9 Training Magazine from your handgun.
- Store the G9 Training Magazine in a safe place, away from children and unauthorized users.

Disposal Instructions

- Dispose of the G9 Training Magazine in accordance with local regulations for electronic and plastic waste.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, contact your local waste management authority for guidance on safe disposal.

Contact Information for Further Support

For any questions or concerns regarding the G9 Training Magazine, please consult the product packaging or your retailer for assistance. Ensure that you have the model and purchase details available for any inquiries.

By following these safety instructions, you can ensure a safe and effective training experience with your G9 Training Magazine for Glock™. Thank you for your attention to safety.
