

J-STRIP 5-SHOT SPEEDLOADERS .38 SPECIAL/.357 MAGNUM - ZETA6 J-STRIP 5-SHOT SPEEDLOADER .38 SPECIAL/.357 MAGNUM 2-PK

[Shooting Accessories](#) > [Speedloaders & Accessories](#) > [Cylinder Speedloaders](#)

The J-STRIP™ is designed specifically to fit 5-shot J-frame size revolvers. Correct 2-2-1 cartridge spacing of this speed strip ensures real fit with most 5-shot J-frame sizes including: S&W, Taurus, Rossi and Charter Arms (older models). The J-STRIP™ works well with any grip size to load two cartridges at a time. Great for concealed carry. The J-STRIP™ fits flat in pockets of shirts, pants, vests and jackets. The J-STRIP™ works well with all bullet types including wadcutter and Federal HST +P Micro ammunition. Made from tough BPA, BPS, BPF free polyurethane material for use in both hot and cold environments. The Zeta6™ J-STRIP™ Speed Loader will fit the following revolvers fitted with any style grip: S&W® 36, 37, 38, 40, 42, 49, 60, 337, 340, 342, 360, 437, 442, 637, 638, 640, 642, 649, M&P Bodyguard 38 Taurus™ 85, 605, 650, 651, 850, 851 (will not fit Taurus 85 Poly or Taurus Model 856) Rossi® 68, 88, 351, 352 Ruger® SP101 (will not fit well in the Ruger LCR)

JSTRIP 5SHOT SPEEDLOADERS Safety Instruction Guide

Introduction

Thank you for choosing the JSTRIP 5SHOT SPEEDLOADERS. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this document carefully before using the speedloaders to understand the safety precautions and instructions for use.

General Safety Guidelines

- Ensure that the JSTRIP 5SHOT SPEEDLOADERS are used only with compatible 5shot Jframe revolvers.
- Always keep the speedloaders out of reach of children and unauthorized users.
- Inspect the speedloaders before each use to ensure they are in good condition and free from damage.
- Avoid using the speedloaders in environments that may expose them to extreme temperatures, chemicals, or other hazardous conditions.
- Report any unsafe conditions or product defects to the relevant authorities immediately.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always handle the speedloaders with care and ensure that you are in a safe environment when loading or unloading cartridges.
- Do not attempt to load more than five cartridges into the speedloader at any time.
- Ensure that the revolver is pointed in a safe direction when using the speedloader.
- Never use the speedloader with damaged cartridges or ammunition that does not meet the specifications for your revolver.
- Be aware of your surroundings and ensure that no one is in close proximity when loading or unloading cartridges.
- Do not modify or alter the speedloader in any way, as this may compromise its safety and effectiveness.

Instructions for Installation and Usage

1. Loading the Speedloader:

- Hold the JSTRIP 5SHOT SPEEDLOADER with the open side facing up.
- Insert the cartridges into the speedloader, ensuring that they are seated properly and that the correct 221 spacing is maintained.
- Verify that all cartridges are securely loaded before attempting to use the speedloader.

2. Using the Speedloader with Your Revolver:

- Open the cylinder of your revolver and ensure it is pointed in a safe direction.
- Align the speedloader with the cylinder and gently press down to release the cartridges into the chambers.
- Close the cylinder securely before handling the revolver.

3. Unloading the Speedloader:

- To unload the speedloader, gently pull the cartridges out from the open side.
- Ensure that you are in a safe environment and that the revolver is pointed in a safe direction while unloading.

Disposal Instructions

- Dispose of the JSTRIP 5SHOT SPEEDLOADERS responsibly. Do not throw them in regular household waste.
- Check local regulations regarding the disposal of polyurethane products and follow the guidelines for recycling or disposal.
- If the speedloader is damaged, contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding product safety, usage, or support, please refer to the packaging or visit the manufacturer's website for contact information. It is important to reach out to the designated EU contact point for any safety concerns or questions you may have.

By following these safety instructions, you can ensure a safe and effective experience with your JSTRIP 5SHOT SPEEDLOADERS. Thank you for prioritizing safety and responsible usage.
