SMART SENSOR PERFORMANCE SYSTEMS MAGAZINE RAILS USER SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the SMART SENSOR PERFORMANCE SYSTEMS MAGAZINE RAILS by MANTIS TECH LLC. This product is designed to enhance your training experience by allowing you to attach the MantisX training device to your firearm. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always treat firearms as if they are loaded.
- Store the product and all firearms in a secure location, out of reach of children and unauthorized users.
- Use the product only with firearms that are compatible as listed in the product description.
- Regularly inspect the magazine rails for any signs of wear or damage before use.
- Always follow the manufacturer's instructions for both the firearm and the MantisX training device.
- If you experience any malfunctions or issues, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing the magazine rails.
- Do not attempt to attach or detach the magazine rails while the firearm is loaded.
- Use the magazine rails only for their intended purpose – attaching the MantisX training device.
- Avoid using the product in wet or damp conditions to prevent damage.
- Be cautious of the magazine release mechanism during installation and removal to avoid accidental discharge.
- Keep your fingers away from the trigger and muzzle at all times when handling the firearm.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools for installation, if required.

2. Installation of Magazine Rails:

- Remove the existing magazine floor plate from your firearm.
- Align the SMART SENSOR PERFORMANCE SYSTEMS MAGAZINE RAILS with the magazine.
- Press down firmly until the rails are securely attached to the magazine floor plate.
- Ensure that the rails are properly seated and do not move when tested.

3. Attaching the MantisX Training Device:

- Once the magazine rails are installed, attach the MantisX training device according to the device's user manual.
- Ensure that the device is securely fastened and does not interfere with the operation of the firearm.

4. Usage:

- Practice safe handling of your firearm at all times.

- Use the MantisX training device as instructed to enhance your training sessions.
- Regularly check the attachment of the magazine rails and MantisX device during use.

5. Removal:

- To remove the magazine rails, ensure that the firearm is unloaded.
- Carefully detach the MantisX training device.
- Remove the magazine rails by pressing the release mechanism, if available, and pulling the rails away from the magazine floor plate.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of in household waste.
- If the product is damaged or no longer in use, consider recycling components where possible.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product support, please refer to the manufacturer's website or contact the retailer from whom you purchased the product.

By following these safety instructions, you can ensure a safe and effective training experience with the SMART SENSOR PERFORMANCE SYSTEMS MAGAZINE RAILS. Always prioritize safety and responsible firearm handling.
