Modlite PLHv218650 Weapon Light Safety Instructions

Introduction

Thank you for choosing the Modlite PLHv218650 Weapon Light. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. Please read this manual thoroughly before using the weapon light.

General Safety Guidelines

- Ensure that the weapon light is used in accordance with the manufacturer's instructions.
- Always handle the light with care to avoid damage or malfunction.
- Keep the weapon light out of reach of children and vulnerable individuals.
- Regularly check the weapon light for any signs of damage or wear.
- Do not use the weapon light if it appears damaged or malfunctioning.
- Follow local laws and regulations regarding the use of weapon lights.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - The light produces high intensity illumination which can cause temporary blindness if directed at the eyes.
 - Lithium CR123 cells are not supported. Using them may cause overheating, explosion, or fire.
- **Avoid Direct Eye Exposure:**
 - Do not shine the light directly into anyone's eyes.
- **Battery Safety:**
 - Use only the recommended KeepPower 18650 high drain cells.
 - Do not mix old and new batteries or different types of batteries.
- **Environmental Considerations:**
 - Do not expose the light to extreme temperatures or moisture.
 - Store the weapon light in a cool, dry place when not in use.
- **Installation Precautions:**
 - Ensure that the light is securely attached to the weapon before use.
 - Regularly check the attachment points for tightness and integrity.

Instructions for Installation and Usage

1. **Installation:**
 - Ensure the weapon is unloaded and pointed in a safe direction.
 - Attach the PLHv2 light head to the 18650 body securely.
 - If using a tail cap, attach it to the body. If not, ensure the connection is secure without it.
 - Insert the KeepPower 3500mAh 18650 battery into the body, ensuring correct polarity.
2. **Usage:**
 - To turn on the light, press the activation button located on the tail cap or body.
 - Adjust the light's focus as needed for your application.
 - For best performance, avoid using the light continuously for more than 75 minutes.
3. **Maintenance:**
 - Clean the lens with a soft, lintfree cloth to maintain optimal light output.
 - Inspect the light regularly for any signs of damage or wear.

Disposal Instructions

- Dispose of the weapon light and batteries in accordance with local regulations.
- Do not dispose of batteries in regular household waste. Follow battery recycling guidelines.
- If the light is damaged beyond repair, contact a local waste management service for proper disposal.

Contact Information for Further Support

For any inquiries regarding safety, product information, or support, please refer to the manufacturer's contact information available on the product packaging or official website.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of your Modlite PLHv218650 Weapon Light. Always prioritize safety and compliance with local laws and regulations. Thank you for your attention to these important guidelines.
