

# AXIOM SIG P365 SLIDE - TRUE PRECISION AXIOM SIG P365, 9MM, BLACK DLC

[Handgun Parts](#) > [Slide Parts](#) > [Slides](#)

True Precision's Axiom Sig P365 slides are 100% designed and manufactured in the USA. Machined from a solid billet of 17-4ph Certified Stainless Steel. The Axiom P365 side is cut for the Shield RMSc optics and others with similar footprint like the Sig Romeo Zero and the Holosun 507K. The Axiom P365 slide includes a anodized cover plate to use if you choose to not use an optic. Attractive side cut window and an aggressively reduced and scalloped front with angled rear serrations gives the Axiom a unique look. Available with Black DLC or a Grey PVD finish.

## Attributes

# Safety Instruction Guide for AXIOM SIG P365 Slide

## Introduction

Thank you for choosing the AXIOM SIG P365 Slide by True Precision. This guide provides essential safety information and instructions to ensure the safe and effective use of your product. Please read this guide carefully before using the slide to understand the necessary precautions and procedures.

## General Safety Guidelines

- Ensure the product is used in accordance with all local laws and regulations.
- Always handle the slide with care to prevent injury or damage.
- Keep the slide and all related components out of reach of children and unauthorized users.
- Regularly inspect the slide for any signs of wear or damage before use.
- Report any unsafe conditions or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Only use the AXIOM SIG P365 Slide with compatible firearms as specified by the manufacturer.
- Ensure that the firearm is unloaded before installing or removing the slide.
- Avoid using the slide in wet or humid conditions to prevent corrosion.
- Do not modify the slide or use it in any manner not intended by the manufacturer.
- Always wear appropriate eye protection when handling or operating firearms.

## Instructions for Installation and Usage

### 1. Installation of the AXIOM SIG P365 Slide:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing slide from the firearm by following the manufacturer's instructions.
- Align the AXIOM SIG P365 Slide with the firearm's frame.
- Gently press down to secure the slide in place until it clicks into position.
- Verify that the slide is securely attached before proceeding.

### 2. Using the Slide:

- Always ensure the firearm is in a safe condition before use.
- If using optics, attach the Shield RMSc or compatible optics according to the manufacturer's guidelines.
- Test the functionality of the slide by cycling the action without ammunition to ensure proper operation.
- When ready to fire, follow standard firearm safety practices.

## Disposal Instructions

- Dispose of the AXIOM SIG P365 Slide in accordance with local regulations.
- Do not dispose of any firearm components in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the AXIOM SIG P365 Slide, please consult the manufacturer's website or customer service for assistance.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with your AXIOM SIG P365 Slide. Always prioritize safety and responsible handling practices. Thank you for your attention to these important guidelines.
