

AR-15 COVENANT 6MM ARC 18" BBL

[Firearms](#) > [Rifles](#) > [Semi-Auto](#)

The heart of the rifle is a 16" SPR profile barrel chambered in 6mm ARC with a 1/7 twist rate and a mid-length gas system, which makes for a soft shooting rifle while taking advantage of the high BC bullets in the ARC line. We include a Stag mil-spec, Magnetic Particle Inspected M16 bolt and carrier group that is Salt Bath Nitride (QPQ) treated for reliability and ease of cleaning. The free float Stag 13.5" Slimline handguard increases accuracy, completely covers the low profile gas block and allows the user to customize their configuration to fit the mission with multiple M-Lok slots.

Attributes

Safety Instruction Guide for AR15 COVENANT 6MM ARC

Introduction

Thank you for choosing the AR15 COVENANT 6MM ARC. This guide provides essential safety instructions and precautions to ensure the safe use of your firearm. Please read this document carefully before using the product.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Keep your finger off the trigger until ready to shoot.
- Store firearms and ammunition separately and securely.
- Ensure the firearm is unloaded when not in use.
- Do not rely on the safety mechanism alone; always be aware of the firearm's condition.
- Be aware of your surroundings and ensure a clear and safe shooting area.
- Use appropriate eye and ear protection when shooting.
- Follow all local laws and regulations regarding firearm use and ownership.

Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by individuals aged 18 and older. Ensure that younger individuals are supervised by a qualified adult.
- **Training:** Seek proper training before using this firearm. Familiarize yourself with its operation and handling.
- **Inspection:** Regularly inspect the firearm for any signs of damage or wear. Do not use a damaged firearm.
- **Ammunition:** Only use ammunition that is specifically designed for the 6mm ARC cartridge. Using incorrect ammunition can lead to malfunctions or accidents.
- **Cleaning and Maintenance:** Follow the manufacturer's instructions for cleaning and maintenance. Ensure the firearm is unloaded before cleaning.
- **Transporting:** When transporting the firearm, ensure it is unloaded and securely stored in a case.

Instructions for Installation and Usage

1. Installation of Accessories:

- Ensure the firearm is unloaded before installing any accessories.
- Follow the manufacturer's instructions for the installation of any accessories, such as sights or grips.

2. Loading the Firearm:

- Ensure the firearm is pointed in a safe direction.
- Open the action and visually inspect the chamber to ensure it is clear.
- Insert the magazine into the magazine well until it clicks into place.
- Pull the charging handle to chamber a round.

3. Firing the Firearm:

- Aim at the intended target.

- Ensure that the area behind the target is safe.
- Place your finger on the trigger only when ready to fire.
- Squeeze the trigger slowly and smoothly.

4. Unloading the Firearm:

- Point the firearm in a safe direction.
- Remove the magazine from the firearm.
- Pull the charging handle to eject any chambered round.
- Visually inspect the chamber to ensure it is empty.

Disposal Instructions

- Dispose of any unused ammunition according to local regulations.
- When disposing of the firearm, contact a licensed firearms dealer or local law enforcement for proper disposal methods.
- Do not dispose of firearms or ammunition in regular trash.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to your local regulations or contact your firearm dealer.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your AR15 COVENANT 6MM ARC. Always prioritize safety and responsible firearm ownership.
