

AR-15 ENHANCED DROP-IN CURVED TRIGGERS SINGLE STAGE 3.5LB - MIDWEST INDUSTRIES AR-15 ENHANCED TRIGGER DROP-IN CURVED SINGLE STAGE 3.5LBS

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

AR-15 trigger systems have gotten better and better over the years, allowing rifle owners to be more accurate and precise with their platform of choice than ever before. The Midwest Industries Enhanced Drop-In Curved Trigger is a single-stage design that's at the top of its class, and it's easy to install and use. Designed for all small-pin AR-15 lower receivers with pin diameters of .154", the Midwest Industries Enhanced Drop-In Curved Trigger features a 3.5-pound pull weight combined with an incredibly smooth, clean break. The trigger is outfitted with a short reset and minimal overtravel to allow shooters to speed up their shots. All the internal components of the unit are machined from S7 tool steel, complete with black-nitride finishing. The components are housed in an aluminum cassette housing treated with a blue anodized finish, and the housing fits into most AR-15 and AR .308 lower receivers. A 60-degree and 90-degree selector option is available. Midwest Industries warns users not to tamper with the center set screw in the trigger design.

Attributes

- Name: [MIDWEST INDUSTRIES AR-15 ENHANCED TRIGGER DROP-IN CURVED SINGLE STAGE 3.5LBS](#)
- Manufacturer: [MIDWEST INDUSTRIES](#)
- Product no.: 100041061

Safety Instruction Guide for AR15 Enhanced DropIn Curved Trigger

Introduction

Thank you for choosing the AR15 Enhanced DropIn Curved Trigger by Midwest Industries. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your trigger system. Please read all sections carefully before installation and use.

General Safety Guidelines

- Ensure that all firearm accessories comply with local laws and regulations.
- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store firearms and ammunition securely and out of reach of children.
- Use appropriate safety gear, including eye and ear protection, when handling firearms.
- Be aware of your surroundings and ensure a clear and safe area when firing.

Specific Safety Precautions for Use

- **Installation Caution:** Ensure the firearm is unloaded before installation.
- **Trigger Tampering:** Do not tamper with the center set screw in the trigger design. This may affect safety and performance.
- **Compatibility Check:** Verify that your lower receiver is compatible with the Midwest Industries Enhanced DropIn Curved Trigger, specifically for smallpin AR15 models with a pin diameter of .154".
- **Regular Inspections:** Periodically inspect the trigger and its components for wear or damage. Replace any faulty parts immediately.
- **Usage Awareness:** Be aware of the trigger's pull weight (3.5 pounds) and ensure all users are trained in handling firearms with such specifications.

Instructions for Installation and Usage

Installation Steps

1. **Prepare the Workspace:** Ensure a clean and safe environment for installation.
2. **Unload the Firearm:** Remove all ammunition and ensure the firearm is completely unloaded.
3. **Remove Existing Trigger:**
 - Follow the manufacturer's instructions to safely remove the existing trigger assembly from the lower receiver.
4. **Install the Enhanced Trigger:**
 - Carefully place the Midwest Industries Enhanced DropIn Curved Trigger into the trigger housing of the lower receiver.
 - Ensure that the trigger is seated properly and aligns with the pin holes.
5. **Secure the Trigger:**
 - Insert the appropriate pins to secure the trigger assembly in place.
 - Do not force any components; ensure everything fits smoothly.
6. **Test the Installation:**
 - Before use, perform function checks to ensure the trigger operates correctly without any binding or excessive play.

Usage Instructions

- Always follow safe handling practices when using the firearm.
- Maintain a proper grip and stance when firing.

- Be aware of the trigger's short reset feature for improved shooting speed.
- Practice regularly to become familiar with the trigger's characteristics and performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the trigger is damaged or no longer in use, ensure it is rendered inoperable before disposal to prevent unauthorized use.
- Recycle materials where possible, following local recycling guidelines.

Contact Information for Further Support

For any safety inquiries, product support, or to report unsafe products, please refer to your local authorities or the appropriate consumer safety organization in your area.

Final Remarks

The AR15 Enhanced DropIn Curved Trigger is designed to enhance your shooting experience while maintaining high safety standards. By following these guidelines, you can ensure safe and effective use of your firearm. Always prioritize safety and responsible handling practices. Thank you for your attention to these important safety instructions.
