SPRINGFIELD ARMORY HELLCAT® THREADED BARRELS A Threaded Barrel Designed to Enhance Your Springfield Armory Hellcat The Springfield Armory Hellcat is the pistol that can seemingly do it all, coming with insane capacity for a micro-compact handgun and having the ability to add optics. Why not take your Hellcat all the way by adding a threaded barrel, so you can outfit this do-it-all handgun with a suppressor or recoil-reducing muzzle device? These Springfield Armory Hellcat Threaded Barrels are drop-in designs that make for an easy enhancement on your pistol. Each Springfield Armory Hellcat Threaded Barrel features broach-cut rifling designed for use with all kinds of 9mm ammo, even lead-cast rounds! The barrels are cut with 1/2-28 TPI muzzle threads that are compatible with most 9mm muzzle devices on the market. When you're not running a device, an included thread protector is secured with an O-ring lock. In addition, these Springfield Armory Hellcat Threaded Barrels are a step up from the factory design, coming with special chamfers, radius cuts and other small touches that they don't do at the factory. Available in black nitride and gold-colored titanium nitride.

# Safety Instruction Guide for Springfield Armory Hellcat® Threaded Barrels

## Introduction

Thank you for choosing the Springfield Armory Hellcat® Threaded Barrel by True Precision. This guide provides essential safety instructions and information to ensure the safe and proper use of your threaded barrel. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Always treat your firearm as if it is loaded, even if you believe it is not.
- Ensure that your firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store your firearm and threaded barrel in a secure location, out of reach of children and unauthorized users.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure that you have a safe backdrop when shooting.
- Do not use the threaded barrel with any ammunition that is not compatible with your firearm.
- Regularly inspect your threaded barrel for signs of wear or damage.

## Specific Safety Precautions for Use

- **Compatibility:** Ensure that the threaded barrel is compatible with your Springfield Armory Hellcat. Refer to the manufacturer's specifications.
- **Thread Protection:** Always use the included thread protector when a muzzle device is not attached to prevent damage to the threads and ensure safe handling.
- **Muzzle Devices:** When attaching muzzle devices, ensure they are securely fastened and compatible with the 1/228 TPI threads.
- **Ammunition:** Use only highquality 9mm Luger ammunition that is suitable for use with threaded barrels. Avoid using leadcast rounds unless specified by the manufacturer.
- **Installation:** Follow installation instructions carefully to avoid improper fitting, which can lead to malfunctions or accidents.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and the magazine is removed.
- Remove the factory barrel from the Springfield Armory Hellcat following the manufacturer's instructions.
- Carefully install the True Precision threaded barrel into the slide of your Hellcat, ensuring it is seated properly.
- Tighten any necessary components according to the manufacturer's specifications.

### 2. Usage:

- After installation, conduct a function check to ensure the firearm operates correctly with the new barrel.
- Attach any desired muzzle device securely to the threaded end of the barrel, ensuring it is compatible and properly fastened.
- When ready to fire, follow standard firearm safety practices.

## **Disposal Instructions**

- Dispose of the threaded barrel and any related components in accordance with local regulations.
- Do not dispose of any firearm parts in regular household waste.
- Contact local authorities or a licensed firearms dealer for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding your Springfield Armory Hellcat® Threaded Barrel, please refer to the manufacturer's contact information provided with your product packaging or visit their official website.

Thank you for your attention to these safety guidelines. Your safety and the safety of others depend on your responsible handling and use of firearms and firearm accessories.
