

# SPRINGFIELD ARMORY HELLCAT® THREADED BARRELS - TRUE PRECISION HELLCAT THD BARREL, 1/2"X28, GOLD TIN, 9MM

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

SPRINGFIELD ARMORY HELLCAT® THREADED BARRELS A Threaded Barrel Designed to Enhance Your Springfield Armory Hellcat The Springfield Armory Hellcat is the pistol that can seemingly do it all, coming with insane capacity for a micro-compact handgun and having the ability to add optics. Why not take your Hellcat all the way by adding a threaded barrel, so you can outfit this do-it-all handgun with a suppressor or recoil-reducing muzzle device? These Springfield Armory Hellcat Threaded Barrels are drop-in designs that make for an easy enhancement on your pistol. Each Springfield Armory Hellcat Threaded Barrel features broach-cut rifling designed for use with all kinds of 9mm ammo, even lead-cast rounds! The barrels are cut with 1/2-28 TPI muzzle threads that are compatible with most 9mm muzzle devices on the market. When you're not running a device, an included thread protector is secured with an O-ring lock. In addition, these Springfield Armory Hellcat Threaded Barrels are a step up from the factory design, coming with special chamfers, radius cuts and other small touches that they don't do at the factory. Available in black nitride and gold-colored titanium nitride.

# Safety Instruction Guide for Springfield Armory Hellcat® Threaded Barrels

## Introduction

Thank you for choosing the Springfield Armory Hellcat® Threaded Barrel. This product is designed to enhance your shooting experience by allowing the use of suppressors or recoil-reducing muzzle devices. It is important to understand the safety guidelines and usage instructions to ensure safe handling and operation.

## General Safety Guidelines

- Always handle firearms and related accessories with care.
- Ensure that the firearm is unloaded before installing or removing the threaded barrel.
- Follow all local, state, and national laws regarding firearm modifications and usage.
- Keep the threaded barrel and firearm out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recalls or safety updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use only compatible 9mm ammunition with the threaded barrel.
- Always use a thread protector when a muzzle device is not installed to prevent damage and ensure safety.
- Inspect the threaded barrel regularly for any signs of wear or damage.
- Do not attempt to modify or alter the threaded barrel in any way.
- Ensure that the firearm is in good working condition before using the threaded barrel.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Remove the factory barrel from the firearm according to the manufacturer's instructions.
3. Align the Springfield Armory Hellcat® Threaded Barrel with the slide and gently insert it into the frame.
4. Secure the barrel in place, ensuring it is properly seated.
5. Install the appropriate muzzle device if desired, or attach the thread protector using the Oring lock.

### Usage

- Always wear appropriate eye and ear protection when shooting.
- Confirm that the threaded barrel is securely attached before firing.
- Only use the firearm in a safe and controlled environment.
- Be aware of your surroundings and ensure a clear line of sight before firing.

## Disposal Instructions

- Dispose of the threaded barrel in accordance with local regulations regarding firearm accessories.
- Contact local waste management authorities for guidance on proper disposal methods.

## Contact Information for Further Support

For any inquiries regarding safety or product usage, please refer to the appropriate contact channels provided

by the manufacturer.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Springfield Armory Hellcat® Threaded Barrel. Always prioritize safety and responsible usage.
