

# SPRINGFIELD ARMORY HELLCAT® BARRELS - HELLCAT STD BARREL, BLK NITRIDE, 9MM

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

An Improved Barrel Designed to Increase Your Hellcat's Accuracy Who doesn't want a gun that shoots more accurately? For Springfield Armory Hellcat pistol owners, having a more accurate gun is as easy as dropping in one of these aftermarket Hellcat Barrels. These barrels are produced with six-groove, broach-cut rifling that enhances the inherent accuracy of the design, and the rifling can be used with any kind of 9mm ammunition, including lead-cast rounds. Each Springfield Armory Hellcat Barrel features a 1:10-inch twist rate designed to stabilize most loads on the market, and the barrel is topped with an 11-degree competition-style muzzle crown. This feature is imperative to controlling accuracy and precision, as it ensures the same dissipation of propellant gases each time the gun is fired. A fully supported chamber also ensures an extra level of reliability and durability. In addition, these Springfield Armory Hellcat Barrels are a step up from the factory design, coming with special chamfers, radius cuts and other small touches that they don't do at the factory. Best of all, you can choose from a range of different finishes, including stainless steel, black nitride and gold-colored titanium nitride.

## Attributes

- Name: [HELLCAT STD BARREL, BLK NITRIDE, 9MM](#)

# Safety Instruction Guide for Springfield Armory Hellcat® Barrels

## Introduction

Thank you for choosing the Springfield Armory Hellcat® Barrel. This guide provides essential safety instructions to ensure the safe use and handling of your product. It is crucial to follow these guidelines to maximize safety and performance.

## General Safety Guidelines

- Always treat all firearms and components as if they are loaded.
- Store the barrel and any firearm in a secure location, out of reach of children and unauthorized individuals.
- Ensure that you are familiar with local laws and regulations regarding firearm ownership and modifications.
- Regularly inspect your barrel for signs of wear or damage before use.
- Use only compatible 9mm ammunition as specified for the Hellcat barrel.
- Familiarize yourself with the features and handling of your firearm and barrel before use.

## Specific Safety Precautions for Use

- Ensure the firearm is unloaded before installing or removing the barrel.
- Wear appropriate safety gear, including eye and ear protection, when shooting.
- Never point the firearm at anything you do not intend to shoot.
- Do not modify the barrel or firearm in any way that could compromise safety.
- Be aware of your surroundings and ensure a safe shooting environment.
- If you experience any malfunctions or issues, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation of the Barrel:

- Ensure the firearm is unloaded.
- Remove the slide from the frame according to the manufacturer's instructions.
- Carefully remove the existing barrel from the slide.
- Insert the new Springfield Armory Hellcat Barrel into the slide, ensuring it is seated correctly.
- Reassemble the slide onto the frame, ensuring all components are secure.

### 2. Usage:

- Load the firearm with appropriate 9mm ammunition.
- Follow standard safety practices when handling and firing the firearm.
- Regularly clean and maintain the barrel for optimal performance.

## Disposal Instructions

- Dispose of the barrel in accordance with local regulations.
- Do not dispose of the barrel in regular household waste.
- Consider recycling options where available, or consult a local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or further support regarding your Springfield Armory Hellcat Barrel, please refer to the manufacturer's website or customer service. Ensure you have the product details ready for efficient assistance.

By adhering to these safety guidelines, you can enjoy the enhanced accuracy and performance of your Springfield Armory Hellcat Barrel while ensuring a safe shooting experience. Always prioritize safety and responsibility in firearm handling.
