# Safety Instruction Guide for QS 2Point Sentinel Sling

## Introduction

Thank you for choosing the QS 2Point Sentinel Sling by GROVTEC US. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your sling. Please read this guide carefully before use to understand how to handle and maintain your product safely.

## General Safety Guidelines

- Always inspect the sling for signs of wear or damage before each use.
- Ensure that the sling is properly adjusted to fit your body and equipment securely.
- Do not exceed the manufacturer's recommended weight limit for the sling.
- Keep the sling away from sharp objects and extreme heat sources.
- Store the sling in a cool, dry place when not in use.
- Use the sling only for its intended purpose; do not use it for any other activities.
- Be aware of your surroundings and ensure that the sling does not get caught on objects during use.

## Specific Safety Precautions for Use

- **Emergency Release Buckle:** Familiarize yourself with the location and operation of the emergency release buckle. Ensure it is easily accessible in case of an emergency.
- **Adjustments:** Use the Quick Slide functionality to make adjustments. Pull forward to loosen and backward to tighten. Make adjustments gradually to avoid sudden shifts in weight.
- **Weight Distribution:** Ensure that the weight is evenly distributed across the sling to prevent strain on your shoulder.
- **Children and Vulnerable Groups:** Keep the sling out of reach of children and ensure that it is not used by individuals who may not be able to operate it safely.

## Instructions for Installation and Usage

### 1. Unpack the Sling:

- Remove the sling from its packaging and lay it flat on a clean surface.
- Check for any visible damages or defects.

### 2. Adjust the Sling:

- Place the sling over your shoulder and adjust the length using the Quick Slide feature for a comfortable fit.
- Ensure that the shoulder pad is positioned correctly for optimal support.

### 3. Attach to Equipment:

- Securely attach the sling to your equipment using the heavyduty push button swivels.
- Ensure that the attachment points are secure and that the sling is not twisted.

### 4. Test the Fit:

- Once attached, test the fit by gently pulling on the sling to ensure it is secure.
- Make any necessary adjustments to ensure comfort and safety.

### 5. Using the Sling:

- Carry your equipment using the sling, ensuring that the weight is evenly distributed.
- Adjust the sling as needed while in use to maintain comfort.

## **Disposal Instructions**

- Dispose of the sling responsibly at the end of its life cycle.
- If the sling is damaged or no longer usable, consider recycling materials where possible.
- Follow local regulations for the disposal of textile products.

## **Contact Information for Further Support**

For any questions or concerns regarding the QS 2Point Sentinel Sling, please contact the manufacturer or your point of purchase for assistance. Ensure to have your product details ready for a more efficient response.

Thank you for following these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy using your QS 2Point Sentinel Sling!
