# Safety Instruction Guide for Midwest Industries Stock Tube with Lightweight Stock

## Introduction

Thank you for choosing the Midwest Industries Stock Tube with Lightweight Stock. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this manual carefully before installation and usage.

## General Safety Guidelines

- Ensure the product is used in accordance with all relevant safety regulations.
- Always inspect the product for any signs of damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Improper installation may lead to firearm malfunction.
  - Using the product with incompatible firearm models can pose safety risks.
  - Sharp edges may exist; handle with care to avoid cuts.
- **Avoiding Hazards:**
  - Always follow the installation instructions provided in this manual.
  - Ensure that the stock tube is securely attached before use.
  - Do not use if the product shows signs of wear or damage.
- **Age Restrictions:**
  - This product is not intended for use by individuals under the age of 18.
  - Ensure that only qualified individuals handle and install the stock tube.

## Instructions for Installation and Usage

### 1. Installation:

- Gather all necessary tools before beginning installation.
- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from the firearm, following the manufacturer's instructions.
- Align the Midwest Industries Stock Tube with the firearm's receiver.
- Securely attach the stock tube using the provided hardware.
- Verify that the stock tube is firmly in place and does not move.

### 2. Usage:

- Once installed, familiarize yourself with the stock tube's features.
- Ensure that all adjustments are made securely before using the firearm.
- Regularly check the stock tube for any signs of looseness or damage during use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- If applicable, recycle materials such as aluminum in designated recycling facilities.

## **Contact Information for Further Support**

For any inquiries related to product safety, installation, or usage, please consult the manufacturer's official website or customer service. Ensure you have your product details ready for assistance.

By following these guidelines, you can ensure the safe use of the Midwest Industries Stock Tube with Lightweight Stock. Thank you for your attention to safety and compliance.
