

ARES ETR UHD 4.5-30X56MM FFP ILLUMINATED RIFLE SCOPE - ARES ETR UHD 4.5-30X56MM FFP ILLUMINATED APLR5 IR MOA BLACK

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

Just when you thought Athlon couldn't improve the Ares BTR, well they did! The Ares ETR First Focal Plane Scope is loaded with features that will allow you to take your long range shooting to another level. Featuring a completely revamped turret system, the Ares ETR has a locking Windage turret along with a true zero stop on the elevation turret to make sure your turrets and shots are right on every time. Extra dispersion ED lenses allow for the sharpest and best color image possible. Constructed with an 34mm tube, this riflescope can withstand even the harshest of elements.

ARES ETR UHD 4.530X56MM FFP ILLUMINATED RIFLE SCOPE Safety Instruction Guide

Introduction

Thank you for choosing the ARES ETR UHD 4.530X56MM FFP ILLUMINATED RIFLE SCOPE. This product is designed to enhance your longrange shooting experience while ensuring safety and compliance with EU safety regulations. Please read this safety instruction guide carefully to understand how to use, maintain, and dispose of your rifle scope safely.

General Safety Guidelines

- Always ensure that the rifle scope is used in accordance with local laws and regulations regarding firearms and optics.
- Keep the rifle scope out of reach of children and unauthorized users.
- Inspect the rifle scope regularly for any signs of damage or wear. If any issues are found, discontinue use immediately and seek professional assistance.
- Avoid exposing the rifle scope to extreme temperatures, moisture, or chemicals that could affect its performance and safety.
- Use the rifle scope only for its intended purpose as specified in this guide.

Specific Safety Precautions for Use

- **Handling:** Always handle the rifle scope with care. Avoid dropping or knocking it against hard surfaces.
- **Mounting:** Ensure that the scope is securely mounted to the rifle before use. Follow the manufacturer's instructions for mounting.
- **Adjustments:** Make adjustments to the turrets only when the rifle is pointed in a safe direction. Do not adjust turrets while aiming at a target.
- **Illumination:** Use the illumination feature responsibly. Do not use the scope's illumination in situations where it may cause distraction or compromise safety.
- **Eye Protection:** Always wear appropriate eye protection when using firearms equipped with this scope.
- **Cleaning:** Use a soft, dry cloth for cleaning the lens. Avoid using harsh chemicals or abrasive materials that could scratch the lens.

Instructions for Installation and Usage

1. Installation:

- Select a suitable mounting base compatible with the 34mm tube size of the scope.
- Securely attach the scope to the rifle using the provided mounting rings and ensure it is level.
- Adjust the eye relief to ensure proper alignment with your eyesight. The recommended eye relief is 3.90 inches.

2. Usage:

- Before shooting, ensure the rifle is pointed in a safe direction.
- Use the elevation and windage turrets to make adjustments to your aim. Each click represents a change of 1/4 MOA.
- Utilize the magnification settings to adjust the scope from a minimum of 4.5x to a maximum of 30x as needed.
- Engage the locking windage turret to prevent accidental adjustments during use.

Disposal Instructions

- Dispose of the rifle scope in accordance with local regulations regarding electronic waste and optics.
- Remove any batteries before disposal and recycle them according to local guidelines.
- If the scope is damaged beyond repair, contact a local waste management facility for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product support, please refer to the contact information provided by the manufacturer. It is essential to have access to this information for any safety concerns or product recalls.

Conclusion

By following these safety instructions, you can enjoy the benefits of your ARES ETR UHD 4.530X56MM FFP ILLUMINATED RIFLE SCOPE while ensuring your safety and the safety of others. Always prioritize safety and compliance with local laws when using this product. Thank you for your attention to these important guidelines.
