

# ARGOS HMR 4-20X50MM SFP ILLUMINATED RIFLE SCOPE - ARGOS HMR 4-20X50MM SFP ILLUMINATED BDC 600A RETICLE BLACK

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The Argos HMR is designed from the ground up with the average outdoorsman in mind. This compact and durable hunting scope is a feature-rich, yet affordable option. 5x and 6x magnification ratios are ideally suited for a wide variety of close and long range hunting. Advanced Fully Multi-Coated lenses paired with clean and concise reticles like an illuminated center-dot crosshair, Mil-Dot, or BDC reticle options for a fool-proof traditional setup.

# Safety Instruction Guide for ARGOS HMR 420X50MM SFP ILLUMINATED RIFLE SCOPE

## Introduction

Thank you for choosing the ARGOS HMR 420X50MM SFP ILLUMINATED RIFLE SCOPE. This guide provides essential safety instructions to ensure the safe and effective use of your rifle scope. Please read and follow these guidelines carefully to maximize your safety and the performance of your product.

## General Safety Guidelines

- Ensure that you understand all safety instructions before using the rifle scope.
- Always treat the rifle scope as if it is loaded, even when you believe it is not.
- Keep the rifle scope out of reach of children and unauthorized users.
- Use the rifle scope only for its intended purpose, which is hunting and shooting sports.
- Regularly inspect the scope for any signs of damage or wear. Do not use a damaged scope.
- Follow local laws and regulations regarding the use of rifle scopes and firearms.
- Store the rifle scope in a secure location when not in use.

## Specific Safety Precautions for Use

- **Eye Protection:** Always wear appropriate eye protection when using the rifle scope.
- **Mounting:** Ensure that the rifle scope is securely mounted to your firearm to prevent it from becoming loose during use.
- **Weather Conditions:** Avoid using the rifle scope in extreme weather conditions that could impair visibility or safety.
- **Illumination:** Use the illumination feature responsibly. Ensure the brightness is adjusted to a level that does not impair your vision or the vision of others.
- **Handling:** Always handle the rifle scope with care. Avoid dropping or striking the scope against hard surfaces.
- **Cleaning:** Clean the lenses with a soft, lintfree cloth. Do not use abrasive materials that could scratch the lenses.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded before mounting the rifle scope.
- Use the appropriate mounting rings and bases for your firearm.
- Align the scope with the rifle's bore and tighten the mounting screws securely.
- Check the alignment and ensure that the scope is level before use.

### 2. Usage:

- Adjust the magnification to your desired level (4x to 20x) based on your shooting distance.
- Use the parallax adjustment feature if necessary to ensure a clear sight picture.
- Familiarize yourself with the reticle options (BDC 600A) and choose the one that suits your shooting needs.
- When ready to shoot, ensure you have a stable shooting position and aim carefully.

## **Disposal Instructions**

- Dispose of the rifle scope in accordance with local regulations regarding electronic waste and hazardous materials.
- Remove the battery (CR2032) before disposal to prevent environmental contamination.
- Check for any specific disposal guidelines provided by local authorities for electronic devices.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please refer to the manufacturer's contact information provided with the product packaging or on the manufacturer's website.

## **Conclusion**

Your safety and the safety of others is paramount when using the ARGOS HMR 420X50MM SFP ILLUMINATED RIFLE SCOPE. By following these guidelines and using the product responsibly, you can enjoy a safe and effective hunting experience. Always stay informed about safety recalls and updates through the EU's Safety Gate platform.
