

# ARGOS HMR 4-20X50MM SFP ILLUMINATED RIFLE SCOPE - ARGOS HMR 4-20X50MM SFP ILLUMINATED AHMC IR MOA RETICLE BLK

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The Argos HMR is designed from the ground up with the average outdoorsman in mind. This compact and durable hunting scope is a feature-rich, yet affordable option. 5x and 6x magnification ratios are ideally suited for a wide variety of close and long range hunting. Advanced Fully Multi-Coated lenses paired with clean and concise reticles like an illuminated center-dot crosshair, Mil-Dot, or BDC reticle options for a fool-proof traditional setup.

# Safety Instruction Guide for the ARGOS HMR 420X50MM SFP Illuminated Rifle Scope

## Introduction

Thank you for choosing the ARGOS HMR 420X50MM SFP Illuminated Rifle Scope. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your new scope. Please read this manual carefully before using the product to understand the proper handling, installation, and precautions necessary for safe operation.

## General Safety Guidelines

- Ensure that the scope is used only for its intended purpose, which is for hunting and shooting sports.
- Always handle the rifle and scope with care, treating them as if they are loaded, even when they are not.
- Keep the scope out of reach of children and unauthorized users.
- Inspect the scope regularly for any signs of damage or malfunction before each use.
- Follow local laws and regulations regarding the use of firearms and scopes.

## Specific Safety Precautions for Use

- **Avoid Eye Injury:** Always use protective eyewear when using the rifle scope to protect your eyes from potential recoil and debris.
- **Proper Mounting:** Ensure that the scope is securely mounted to the rifle to prevent it from becoming loose during use.
- **Illumination Settings:** Be cautious when using the illuminated reticle. Adjust the brightness to a comfortable level to avoid eye strain.
- **Weather Conditions:** Avoid using the scope in extreme weather conditions (heavy rain, fog, or snow) that may impair visibility.
- **Storage:** Store the scope in a cool, dry place when not in use to prevent moisture and dust accumulation.

## Instructions for Installation and Usage

### Installation

#### 1. Mounting the Scope:

- Select a suitable mounting base compatible with your rifle.
- Securely attach the scope rings to the mounting base.
- Place the scope in the rings and ensure it is level.
- Tighten the screws on the rings to secure the scope firmly in place.

#### 2. Adjusting the Eye Relief:

- Position the scope so that you have a comfortable eye relief of 3.80 inches.
- Adjust the scope forward or backward as necessary and lock it in place.

#### 3. Setting the Reticle:

- Choose your preferred reticle option (AHMC IR, MilDot, or BDC).
- Adjust the reticle brightness according to your preference for optimal visibility.

## Usage

### 1. Before Shooting:

- Check the scope for proper alignment and function.
- Ensure the rifle is pointed in a safe direction.

### 2. During Shooting:

- Use the appropriate magnification based on your shooting distance (4x to 20x).
- Maintain a steady position and proper grip on the rifle.
- Keep your finger off the trigger until you are ready to shoot.

### 3. After Shooting:

- Always unload the rifle before removing the scope or making adjustments.
- Clean the scope with a soft, dry cloth to remove any debris or moisture.

## Disposal Instructions

When disposing of the ARGOS HMR Rifle Scope, please follow these guidelines:

- **Electronic Components:** Dispose of any electronic components in accordance with local regulations regarding electronic waste.
- **Packaging Materials:** Recycle packaging materials where possible.
- **Environmentally Friendly Disposal:** Do not dispose of the scope in regular household waste. Check with local waste management authorities for proper disposal methods.

## Contact Information for Further Support

For any inquiries or concerns regarding the ARGOS HMR 420X50MM SFP Illuminated Rifle Scope, please refer to the manufacturer's contact information, which can be found on the product packaging or the official website.

Thank you for your attention to these safety guidelines. By following these instructions, you can help ensure a safe and enjoyable experience with your ARGOS HMR Rifle Scope.
