[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

If you ask any hunter they'll probably tell you they have filled more tags in the low-light hours than any other time. With that said, it would be wise to design a scope to excel in early-morning and late-evening light. With the Talos scope with Athlon Advanced multi-coated lenses for clarity and brightness in low light, you'll be able to add precious minutes to every hunting day. These scopes, with their 4X magnification range, will give you great versatility whether you are hunting whitetails in the dense southern pine forest of Georgia, or prairie dogs on the wide open ranges of Wyoming. With one-piece tube design, the Talos line includes an assortment of specialty scopes for big-game, varmint, MSR's, 22 rimfire, slug, black powder, and turkey hunting.

## **Attributes**

- Name: [TALOS 4-16X40MM SFP ILLUMINATED BDC 600 IR RETICLE BLACK](#)
- Manufacturer: [ATHLON OPTICS](#)
- Product no.: 100042186
- Mfr. No.: 215008
- Battery: CR-2032
- Click Value: 1/4 MOA
- Click Value: 1/4 MOA
- Eye Relief: 3.35",3.80"
- Finish: Black
- Focal Plane: Second
- Illumination: Yes
- Length: 12.9"
- Max Magnification: 16x
- Min. Magnification: 4x
- Model Number: Talos
- Objective Size: 40mm
- Reticle: BDC 600
- Tube Size: 1"
- Weight: 19.1 oz
- Delivery weight: 1.361kg
- Shipping height: 102mm
- Shipping width: 102mm
- Shipping length: 406mm
- UPC: 813869020665

## **Item details**

This product contains a battery.  
US export classification: 0A504.a

# TALOS 416X40MM SFP ILLUMINATED RIFLE SCOPE Safety Instructions

## Introduction

Thank you for choosing the TALOS 416X40MM SFP ILLUMINATED RIFLE SCOPE. This guide provides essential safety information to ensure the safe use and enjoyment of your scope. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that the scope is used in accordance with all local laws and regulations regarding firearm usage.
- Always handle firearms and accessories with care and respect.
- Regularly inspect the scope for any signs of damage or wear before use.
- Store the scope in a safe and dry location when not in use.
- Keep the scope out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure a safe shooting environment.

## Specific Safety Precautions for Use

- **Eye Protection:** Always wear appropriate eye protection when using firearms equipped with this scope.
- **Mounting:** Ensure the scope is securely mounted to the firearm before use. A loose scope can lead to accidents.
- **Illumination Settings:** Be cautious when adjusting the illumination settings. Use the lowest setting necessary to avoid eye strain.
- **Cleaning:** Use only recommended cleaning materials and methods to avoid damaging the lens or coatings.
- **Weather Conditions:** Avoid using the scope in extreme weather conditions that could impair visibility or safety.
- **Target Identification:** Always positively identify your target and what is beyond it before firing.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded before installation.
- Mount the scope to the firearm using the provided rings and base.
- Tighten the mounting screws securely but do not overtighten to avoid damage.
- Align the scope properly with the barrel for accurate aiming.

### 2. Usage:

- Adjust the magnification by rotating the magnification ring to the desired level (4x to 16x).
- Use the parallax adjustment to ensure clear focus at varying distances.
- Adjust the illumination settings to suit your environment and personal preference.
- Regularly check and adjust the eye relief to ensure a comfortable viewing position.

## Disposal Instructions

- Dispose of the scope in accordance with local regulations regarding electronic waste and firearm accessories.
- Remove batteries before disposal and recycle them according to local battery recycling guidelines.
- Do not dispose of the scope in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or support related to the TALOS 416X40MM SFP ILLUMINATED RIFLE SCOPE, please refer to the manufacturer's contact details provided in the product packaging or visit the manufacturer's website.

Thank you for your attention to these safety guidelines. Your safety and the safety of others are paramount. Enjoy your shooting experience responsibly!
