TALOS 6-24X50MM SFP ILLUMINATED RIFLE SCOPE If you ask any hunter, they'll probably tell you they have filled more tags in the low-light hours than any other time. With that said, it would be wise to design a scope to excel in early-morning and late-evening light. With the Talos scope with Athlon Advanced multi-coated lenses for clarity and brightness in low light, you'll be able to add precious minutes to every hunting day. These scopes, with their 4X magnification range, will give you great versatility whether you are hunting whitetails in the dense southern pine forest of Georgia, or prairie dogs on the wide-open ranges of Wyoming. With one-piece tube design, the Talos line includes an assortment of specialty scopes for big-game, varmint, MSR's, 22 rimfire, slug, black powder, and turkey hunting. TALOS 624X50MM SFP ILLUMINATED RIFLE SCOPE

Safety Instruction Guide

Introduction

Thank you for choosing the TALOS 624X50MM SFP Illuminated Rifle Scope. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your scope. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the scope is used only for its intended purpose as a rifle scope.
- Always handle the scope with care to avoid damage.
- Keep the scope out of reach of children and vulnerable individuals.
- Regularly inspect the scope for any signs of damage or wear.
- If the scope is damaged or malfunctions, discontinue use immediately and seek assistance.
- Follow all local laws and regulations regarding the use of firearms and scopes.

Specific Safety Precautions for Use

- **Eye Protection:** Always wear appropriate eye protection when using a rifle equipped with this scope.
- **Mounting:** Ensure that the scope is securely mounted to the rifle to prevent accidents during use.
- **Adjustment:** Make adjustments to the scope only when the rifle is pointed in a safe direction.
- **Illumination:** Use the illumination feature responsibly to avoid distracting other hunters or users in the field.
- **Weather Conditions:** Avoid using the scope in extreme weather conditions that may impair visibility or the functioning of the scope.
- **Cleaning:** Clean the lenses with a soft, lintfree cloth to avoid scratches. Do not use harsh chemicals.

Instructions for Installation and Usage

1. Installation:

- Ensure that the rifle is unloaded and pointed in a safe direction.
- Securely mount the TALOS scope using the provided mounting rings and base.
- Align the scope with the rifle's barrel and tighten the mounting screws evenly.
- Check that the scope is level and properly positioned before tightening completely.

2. Usage:

- Adjust the magnification by rotating the magnification ring to the desired level between 6x and 24x.
- Use the focus adjustment to ensure a clear image through the scope.
- Activate the illumination feature by turning the illumination knob, adjusting brightness as needed.
- Always be aware of your surroundings and ensure a clear line of sight before taking aim.

Disposal Instructions

- Dispose of the TALOS scope in accordance with local regulations for electronic waste and hazardous materials.
- Do not dispose of the scope in regular household waste.
- Remove batteries and dispose of them separately according to local battery disposal regulations.

Contact Information for Further Support

For any inquiries or support regarding your TALOS scope, please refer to the manufacturer's contact information provided in the product packaging or visit their official website.

Conclusion

Following these safety guidelines will help ensure that you have a safe and enjoyable experience with your TALOS 624X50MM SFP Illuminated Rifle Scope. Always prioritize safety and responsible usage to protect yourself and others while enjoying your hunting activities.
