# NEOS 39X40MM SFP RIFLE SCOPE SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the NEOS 39X40MM SFP Rifle Scope. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your rifle scope. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that the rifle scope is used in accordance with local laws and regulations.
- Always handle firearms responsibly and with care.
- Keep the scope and firearm out of reach of children and unauthorized users.
- Regularly inspect the scope for signs of damage or wear. Do not use if damaged.
- Be aware of your surroundings when using the rifle scope to avoid accidents.
- If you are unfamiliar with the use of rifle scopes, seek guidance from a qualified instructor.

## Specific Safety Precautions for Use

- **Eye Protection:** Always wear appropriate eye protection when using the rifle scope to prevent injury from recoil or debris.
- **Mounting:** Ensure that the scope is securely mounted to the firearm. Follow the manufacturer's instructions for proper installation.
- **Zeroing the Scope:** Take time to properly zero your scope before use. This ensures accurate targeting and reduces the risk of misfires.
- **Illumination:** The NEOS scope features an illuminated reticle. Use the illumination feature responsibly and avoid shining it in the direction of others.
- **Battery Care:** Use only the specified battery (CR2032) for the illumination feature. Replace batteries as needed and dispose of them properly.
- **Weather Considerations:** Avoid using the scope in extreme weather conditions that could impair visibility or safety.

## Instructions for Installation and Usage

### 1. Installation:

- Select a suitable mounting location on your firearm.
- Securely attach the scope using the provided mounting rings or base.
- Ensure the scope is level and aligned with the barrel.

### 2. Usage:

- Adjust the magnification by rotating the power ring to the desired setting (3x to 9x).
- Use the eyepiece to adjust for proper eye relief (3.07 inches).
- When aiming, ensure a stable shooting position for accuracy.
- Utilize the BDC 500 IR reticle for targeting based on distance.

### 3. Maintenance:

- Clean the lenses with a soft, lintfree cloth to remove dust and fingerprints.
- Store the scope in a dry, cool place when not in use.
- Regularly check for loose screws or components and tighten as necessary.

## Disposal Instructions

- Dispose of the rifle scope and its components in accordance with local regulations.
- Do not dispose of electronic components, such as batteries, in regular household waste.
- Follow local guidelines for the disposal of batteries to minimize environmental impact.

## Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact information provided with your product.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your NEOS 39X40MM SFP Rifle Scope. Always prioritize safety and responsibility in all your shooting activities.
