

MIDAS TSR2 RED DOT - MIDAS TSR2 1X20MM 2 MOA DOT RETICLE RED DOT

[Optics & Mounting](#) > [Electronic Sights](#) > [Red Dot Sights](#)

The speed and versatility of a red dot goes unmatched in close range engagements. Whether you are running an AR or PCC in competition, hunting, or running a red dot on an optics ready pistol, the TSR series of red dots has you covered. With 50,000 hours of battery life and motion sensor activation, the TSR series is always ready. Furthermore, you can mount the sight on select handgun models, such as Glock, by taking off the picatinny rail mount and mounting it on the adapter plate (sold separately). To remove the picatinny rail mount, loosen the two top screws on the main chassis.

MIDAS TSR2 Red Dot Safety Instruction Guide

Introduction

Thank you for choosing the MIDAS TSR2 Red Dot. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the product. Please read this manual carefully before using the red dot sight.

General Safety Guidelines

- Ensure the red dot sight is used only for its intended purpose.
- Always handle the sight with care to avoid damage.
- Keep the sight out of reach of children and vulnerable individuals.
- Regularly inspect the sight for any signs of wear or damage.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about any recall updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Risk of eye injury if the sight is not used correctly.
 - Risk of firearm misalignment if the sight is improperly mounted.
- **Avoiding Hazards:**
 - Always ensure the firearm is unloaded before mounting or adjusting the sight.
 - Use the sight only in appropriate lighting conditions to avoid glare and ensure visibility.
 - Do not look directly at the sun through the sight.
 - Ensure that the sight is securely mounted before use.
- **Age Specific Warnings:**
 - This product is not suitable for individuals under the age of 18 without adult supervision.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure the firearm is unloaded.
 2. Remove the picatinny rail mount by loosening the two top screws on the main chassis.
 3. If applicable, mount the sight on the adapter plate (sold separately) for select handgun models, such as Glock.
 4. Securely attach the sight to the firearm's rail.
 5. Tighten all screws to ensure a secure fit.
- **Usage:**
 1. Turn on the sight using the power button.
 2. Adjust the brightness settings using the designated controls to suit your environment.
 3. Ensure the reticle is properly aligned with your target before engaging.
 4. Always be aware of your surroundings and ensure safe firearm handling practices.

Disposal Instructions

- Dispose of the red dot sight and its components in accordance with local regulations.
- Do not dispose of batteries in regular household waste. Follow local guidelines for battery disposal.

Contact Information for Further Support

For any inquiries or support regarding the MIDAS TSR2 Red Dot, please reach out to the designated contact point in your region. Ensure you have your product details ready for a more efficient response.

Thank you for your attention to these safety guidelines. Enjoy your safe and effective use of the MIDAS TSR2 Red Dot.
