

GGP-19 V3 SLIDES - GREY GHOST PRECISION GGP G19 GEN 4, V3 , BLACK

[Handgun Parts](#) > [Slide Parts](#) > [Slides](#)

Taking direct feedback from pistol combat instructors and shooting professionals who were using our Version 1 and Version 2 slides, the Version 3 pattern was designed with tapered serration channels for an increased purchase on the slide when performing press checks or malfunction clearing drills, ensuring positive operation of the slide under duress or while in any wet, muddy, and/or visceral conditions. Another innovation is the dual compatibility optic cut, which is milled for either a Leupold Deltapoint Pro or a Trijicon RMR when using the supplied aluminum shim plate and screws. FEATURES: Stripped slide machined from 17-4 Billet Stainless Steel to have tighter tolerances than a factory slide Black Nitride Coated inside and out Version 3 Slide Pattern with tapered serrations for improved grip NEW dual optic cutout compatible with Leupold DeltaPoint Pro or Trijicon RMR with supplied shim plate (correct length screws included) Includes a custom G10 cover plate and proper screws for use without optic installed Please Note : All sights should be installed by a gunsmith

Safety Instruction Guide for GGP19 V3 Slides

Grey Ghost Precision GGP G19 Gen 4

Introduction

Thank you for choosing the GGP19 V3 Slides Grey Ghost Precision GGP G19 Gen 4. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully before installation or use.

General Safety Guidelines

- Ensure that the product is used in accordance with all local laws and regulations.
- Always handle firearms and their components with care, treating them as if they are loaded.
- Keep the product out of reach of children and unauthorized users.
- Inspect the slide for any damage or defects before installation and use.
- Follow all manufacturer's instructions and guidelines during installation and use.
- If you experience any issues with the product, cease use immediately and seek assistance.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Ensure that the firearm is pointed in a safe direction at all times.
- Be aware of your surroundings and ensure that no one is in the line of fire.
- Use only compatible optics as specified in the product description.
- Ensure that the slide is securely attached to the firearm before use.
- Do not attempt to modify or alter the slide in any way that is not recommended by the manufacturer.

Instructions for Installation and Usage

1. Installation of the Slide:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the factory slide from the Glock 19 Gen 4 by following the manufacturer's instructions.
- Align the GGP19 V3 slide with the frame of the firearm.
- Carefully slide it into place until it is securely seated.
- Use the provided screws to secure any optics or cover plates as necessary, ensuring they are tightened to the manufacturer's specifications.

2. Usage:

- Perform press checks and malfunction clearing drills in a safe environment.
- When using the dual optic cut, ensure the correct optic is installed and securely fastened.
- Regularly check the slide and optics for any signs of wear or damage before use.
- Clean and maintain the slide according to the manufacturer's recommendations to ensure optimal performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations for hazardous materials.
- If the product is damaged or no longer usable, contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the manufacturer's website or contact your local distributor for assistance.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
Enjoy your GGP19 V3 Slides Grey Ghost Precision GGP G19 Gen 4 responsibly!
