

GGP-19 V3 SLIDES - GREY GHOST PRECISION GGP G19 GEN 5, V3 , BLACK

[Handgun Parts](#) > [Slide Parts](#) > [Slides](#)

Taking direct feedback from pistol combat instructors and shooting professionals who were using our Version 1 and Version 2 slides, the Version 3 pattern was designed with tapered serration channels for an increased purchase on the slide when performing press checks or malfunction clearing drills, ensuring positive operation of the slide under duress or while in any wet, muddy, and/or visceral conditions. Another innovation is the dual compatibility optic cut, which is milled for either a Leupold Deltapoint Pro or a Trijicon RMR when using the supplied aluminum shim plate and screws. FEATURES: Stripped slide machined from 17-4 Billet Stainless Steel to have tighter tolerances than a factory slide Black Nitride Coated inside and out Version 3 Slide Pattern with tapered serrations for improved grip NEW dual optic cutout compatible with Leupold DeltaPoint Pro or Trijicon RMR with supplied shim plate (correct length screws included) Includes a custom G10 cover plate and proper screws for use without optic installed Please Note : All sights should be installed by a gunsmith

GGP19 V3 Slides Safety Instruction Guide

Introduction

Thank you for choosing the GGP19 V3 Slides Grey Ghost Precision GGP G19 Gen 5. This guide provides essential safety information to ensure the safe use and maintenance of your product. Please read this manual thoroughly before using the slides.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle the slides with care and ensure they are installed correctly on the firearm.
- Regularly inspect the slides for any signs of wear or damage before use.
- Store the slides in a safe and secure location, away from children and unauthorized users.
- Keep this manual for future reference and ensure that all users are familiar with its contents.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded when installing or removing the slides.
- Use appropriate eye and ear protection when handling firearms equipped with these slides.
- Do not attempt to modify the slides or use them in a manner not specified by the manufacturer.
- Be aware of your surroundings and ensure a safe shooting environment.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a proper set of screws and a G10 cover plate.

2. Installation

- Remove the existing slide from the firearm by following the manufacturer's instructions.
- Align the GGP19 V3 slide with the frame of the firearm.
- Use the supplied screws to secure the slide in place. Ensure all screws are tightened to the manufacturer's specifications.
- If using an optic, install the supplied shim plate and ensure the optic is securely mounted.

3. Usage

- Perform a press check to ensure the slide operates smoothly.
- Engage in routine maintenance, including cleaning and lubricating the slide as necessary.
- Always follow safe firearm handling practices when using the firearm equipped with the GGP19 V3 slides.

Disposal Instructions

- Dispose of the slides in accordance with local regulations for metal and firearm components.
- Do not dispose of the slides in regular household waste.
- If the slides are damaged or no longer in use, consider recycling materials where possible.

Contact Information for Further Support

For any inquiries or concerns regarding the GGP19 V3 Slides, please refer to your local distributor or retailer. Ensure you have the product information at hand for efficient support.

By following these guidelines, you can ensure the safe and effective use of your GGP19 V3 Slides. Your safety and the safety of others is our top priority. Thank you for your attention to these important instructions.
