

GGP-17 V2 SLIDES - GREY GHOST PRECISION GGP G17 GEN 5, V2 , BLACK

[Handgun Parts](#) > [Slide Parts](#) > [Slides](#)

All Grey Ghost Precision Slides are stripped slides. They are machined from 17-4 Billet Stainless Steel to have tighter tolerances than a factory slide. They are Black Nitride coated inside and out. NEW dual optic cutout compatible with Leupold DeltaPoint Pro or Trijicon RMR with supplied shim plate (correct length screws included).

GGP17 V2 Slides Grey Ghost Precision Safety Instruction Guide

Introduction

Thank you for choosing the GGP17 V2 Slides by Grey Ghost Precision. This guide provides essential safety information and instructions for the proper use and maintenance of your product. Please read this guide carefully to ensure safe handling and operation.

General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product for any visible damage before use. Do not use if damaged.
- Store the product in a safe and secure location when not in use.
- Follow all local laws and regulations regarding the use and ownership of firearm accessories.

Specific Safety Precautions for Use

- **Potential Hazards:** The GGP17 V2 Slides are designed for use with Glock 17 Gen 5 firearms. Improper use or installation may result in malfunctions or accidents.
- **Avoiding Hazards:**
 - Ensure the firearm is unloaded before installing or handling the slide.
 - Do not modify the slide in any way that could compromise its integrity or safety.
 - Use only compatible optics as specified in the product description.
- **Age Restrictions:** This product should only be used by individuals who are legally permitted to handle firearms and are of the appropriate age as defined by local laws.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools for installation, including the supplied screws and shim plate.

2. Installation:

- Remove the existing slide from the Glock 17 Gen 5 by following the manufacturer's instructions.
- Align the GGP17 V2 Slide with the frame of the firearm.
- Securely attach the slide using the included screws, ensuring they are tightened to the manufacturer's specifications.
- If using optics, follow the specific instructions for mounting the Leupold DeltaPoint Pro or Trijicon RMR, utilizing the shim plate as necessary.

3. Usage:

- Regularly check the tightness of screws and the condition of the slide during use.
- Familiarize yourself with the operation of the slide and any optics before engaging in livefire activities.

Disposal Instructions

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the product reaches the end of its life or is no longer usable, dispose of it in accordance with local regulations for hazardous materials, if applicable.

Contact Information for Further Support

For any safety inquiries or support regarding the GGP17 V2 Slides, please refer to the manufacturer's website or contact their customer service department. Ensure you have your product details ready for a more efficient response.

By following this safety instruction guide, you can help ensure a safe and enjoyable experience with your GGP17 V2 Slides. Always prioritize safety and compliance with local laws when using firearm accessories.
