

# **EPC 9 RECEIVER SETS THREADED - AERO PRECISION EPC-9 THREADED RECEIVER SET 9MM/40 S&W BLACK**

[Rifle Parts](#) > [Receiver Parts](#) > [Receivers](#) > [Lower Receivers](#)

The Aero Precision EPC-9 receiver set is the perfect foundation for your next AR9 build. Precision machined from 2 custom 7075-T6 Aluminum forgings and featuring a last round bolt hold open. Compatible with standard frame Glock magazines, the EPC-9 receiver set is compatible with 9x19 and .40 S&W when using the appropriate bolt carrier and barrel. EPC-9 Lower Receiver Features: Threaded bolt catch pin for easy installation. Integrated enlarged trigger guard to remove any risk of breaking off trigger guard tabs, and provide an overall more rugged platform to build on. Threaded takedown pin detent recess to allow for the installation of a detent and spring with a single 4-40 set screw. Flared magazine well for quick and easy reloads. Proprietary components pre-installed from the factory. Standard AR15 takedown/pivot pin lug pattern. Machined from custom forged 7075-T6 aluminum.

## **Attributes**

# Safety Instruction Guide for the Aero Precision EPC9 Receiver Set

## Introduction

Thank you for choosing the Aero Precision EPC9 Receiver Set. This guide provides important safety information and instructions for the safe use, installation, and disposal of the product. Please read this guide carefully to ensure your safety and the proper functioning of the receiver set.

## General Safety Guidelines

- Ensure safe use of the Aero Precision EPC9 Receiver Set by following these guidelines:
  - Always handle the receiver set with care to avoid injury or damage.
  - Keep the product out of reach of children and unauthorized users.
  - Use protective gear, such as safety glasses and gloves, during installation and maintenance.
  - Be aware of your surroundings and ensure a safe working environment.
  - Regularly check for any signs of wear or damage to the receiver set.
  - Do not attempt to modify or alter the receiver set in any way.

## Specific Safety Precautions for Use

- To minimize risks while using the Aero Precision EPC9 Receiver Set, observe the following precautions:
  - Use only compatible components and accessories as specified in the product documentation.
  - Ensure that the firearm is unloaded and the chamber is clear before installation or maintenance.
  - Follow all local laws and regulations regarding firearms and their components.
  - Never point the firearm at anything you do not intend to shoot.
  - Always treat every firearm as if it is loaded.
  - If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

- Follow these steps for the safe installation and usage of the Aero Precision EPC9 Receiver Set:
  1. **Preparation:**
    - Gather all necessary tools and components for installation.
    - Ensure you are in a welllit and clean workspace.
  2. **Installation:**
    - Carefully read the installation instructions provided with the receiver set.
    - Install the threaded bolt catch pin securely.
    - Attach the integrated enlarged trigger guard as per the guidelines.
    - Insert the takedown pin detent into the recess and secure it with the 440 set screw.
    - Ensure the flared magazine well is properly aligned for easy reloads.
    - Confirm that all proprietary components are installed correctly.
  3. **Usage:**
    - Load the firearm with compatible Glock magazines.
    - Ensure the appropriate bolt carrier and barrel are used for 9x19 and .40 S&W cartridges.
    - Conduct a function check to ensure proper operation before use.
    - Regularly clean and maintain the receiver set to ensure optimal performance.

## Disposal Instructions

- When disposing of the Aero Precision EPC9 Receiver Set, follow these guidelines:
  - Dispose of the product in accordance with local laws and regulations.

- If the receiver set is damaged or no longer functional, consider contacting a local recycling facility that handles metal components.
- Do not dispose of the product in regular household waste.

## Contact Information for Further Support

- For any inquiries regarding safety or product issues, please contact the manufacturer directly. Ensure that you have the product details and any relevant information ready for a more efficient response.

Thank you for your attention to these safety guidelines. Your safety and the safe operation of the Aero Precision EPC9 Receiver Set are of utmost importance.
