# TRUE BARREL FOR GLOCK 19/19X & 45 TRUE PRECISION THREADED BARREL FOR GLOCK 19 SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the TRUE BARREL for your Glock 19, 19X, or Model 45 pistol. This safety instruction guide provides essential information to ensure the safe use, installation, and maintenance of your product. Please read this guide carefully and follow all safety precautions to maximize your safety and the performance of your barrel.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your Glock pistol before installing the barrel.
- Always treat firearms as if they are loaded, even if you believe they are not.
- Store the barrel and all firearms in a secure location, out of reach of unauthorized users, especially children.
- Regularly inspect the barrel and your firearm for any signs of wear or damage before use.
- Adhere to all local laws and regulations regarding firearm ownership and usage.
- Use only compatible ammunition for your Glock pistol to prevent malfunctions or accidents.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper installation or use of the barrel may lead to firearm malfunction or injury.
- Using incorrect ammunition or modifications may result in dangerous conditions.

- **Avoiding Hazards:**

- Always follow the installation instructions provided in this guide.
- Do not attempt to modify the barrel or your firearm in any way that is not recommended by the manufacturer.
- Ensure the barrel is properly secured before firing the firearm.
- Use hearing protection and eye protection when firing your firearm to prevent injury.

- **Age Specific Warnings:**

- This product is intended for use by individuals who are 18 years of age or older.
- Keep all firearms and components away from children and unauthorized users.

## Instructions for Installation and Usage

1. **Installation Instructions:**

- Ensure that your Glock pistol is unloaded and pointed in a safe direction.
- Remove the factory barrel from your Glock by following the manufacturer's instructions.
- Insert the TRUE BARREL into the slide, ensuring it is seated correctly.
- If applicable, install the thread protector on threaded versions.
- Reassemble your Glock pistol according to the manufacturer's instructions.

2. **Usage Instructions:**

- Before firing, doublecheck that the barrel is properly installed and secure.
- Use only 9mm Luger ammunition in your Glock pistol.
- After firing, clean the barrel according to the maintenance instructions provided by the manufacturer.

## **Disposal Instructions**

- Dispose of the barrel and any related components in accordance with local regulations.
- Do not dispose of firearms or firearm components in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

## **Contact Information for Further Support**

For safety inquiries or concerns about your TRUE BARREL, please refer to the manufacturer's website or contact their customer support. Ensure you have the product details available for assistance.

By following these safety instructions, you help ensure a safe and enjoyable experience with your TRUE BARREL for Glock pistols. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important guidelines.
