# TRUE BARREL FOR GLOCK 43/43X Safety Instruction Guide

## Introduction

Thank you for purchasing the TRUE BARREL FOR GLOCK 43/43X. This guide provides essential safety instructions and precautions to ensure the safe use and installation of your barrel. Please read this manual carefully before using the product.

## General Safety Guidelines

- Ensure that the barrel is compatible with your Glock model (Glock 43 or 43X).
- Always handle firearms and firearm accessories with care and respect.
- Store the barrel and any firearm in a secure location, away from children and unauthorized users.
- Use only approved ammunition types as specified in this guide.
- Regularly inspect the barrel for any signs of wear or damage before each use.
- Do not modify the barrel or firearm in any way that could compromise safety.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Compatibility:** Ensure that the TRUE BARREL is designed for use with Glock 43 and 43X models only.
- **Installation:** Follow the installation instructions carefully to avoid improper fitting, which may lead to malfunctions.
- **Ammunition:** Use only 9mm Luger ammunition. The barrel is designed for all ammo types, including cast lead.
- **Threaded Versions:** If using a threaded version, ensure that the thread protector is securely attached when not using muzzle devices.
- **Cleaning:** Regularly clean the barrel to maintain performance and prevent corrosion.
- **Heat:** Be cautious of high temperatures during use, especially with threaded versions that include a Viton high heat integral Oring lock thread protector.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the factory barrel from the Glock 43 or 43X according to the manufacturer's instructions.
- Insert the TRUE BARREL into the slide, ensuring it is seated properly.
- Reassemble the slide and frame, ensuring all parts are secure.
- If using a threaded version, attach the thread protector if no muzzle device is in use.

### 2. Usage:

- Always wear appropriate eye and ear protection when shooting.
- Before firing, ensure that the barrel is properly secured and that there are no obstructions.
- Fire the weapon in a safe environment, following all local laws and regulations.
- After use, inspect the barrel for any signs of damage or wear.

## Disposal Instructions

- Dispose of the barrel in accordance with local regulations regarding firearm and firearm accessory disposal.

- Do not discard the barrel in regular household waste.
- Contact local authorities or firearms disposal services for proper disposal methods.

## Contact Information for Further Support

For safety inquiries or support regarding the TRUE BARREL FOR GLOCK 43/43X, please refer to the manufacturer's website or contact your local distributor.

**Note:** This safety instruction guide complies with the EU General Product Safety Regulation (GPSR) and is designed to ensure the safe use of the TRUE BARREL FOR GLOCK 43/43X. Always prioritize safety and responsible handling of firearms and accessories.
