# TRUE BARREL FOR GLOCK 43/43X Safety Instruction Guide

## Introduction

Thank you for choosing the TRUE BARREL FOR GLOCK 43/43X. This guide provides essential safety information and instructions to ensure the safe use and installation of your new barrel. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that the barrel is compatible with your Glock 43 or 43X model before installation.
- Always handle firearms with care and follow standard safety practices.
- Store the barrel in a secure location away from children and unauthorized users.
- Regularly inspect the barrel for any signs of wear or damage.
- Use only compatible ammunition types as specified in the product description.
- In case of any malfunction or unusual behavior, cease use immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation may lead to unsafe operation.
- Using incompatible ammunition can cause damage or injury.
- Failure to follow safety precautions may result in accidents.

### • Avoiding Hazards:

- Always ensure the firearm is unloaded before installation.
- Follow all manufacturer instructions for installation and usage.
- Do not modify the barrel or firearm in any way that could compromise safety.
- Use protective eyewear when shooting to safeguard against debris.

### • Age and Audience Warnings:

- This product is intended for use by individuals over the age of 18.
- Ensure that all users are trained in firearm safety and handling.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a torque wrench and appropriate cleaning supplies.

#### 2. Remove the Existing Barrel:

- Disassemble the Glock 43 or 43X according to the manufacturer's instructions.
- Carefully remove the existing barrel from the slide.

#### 3. Install the TRUE BARREL:

- Align the TRUE BARREL with the slide and gently insert it.
- Ensure that the barrel is fully seated within the slide.
- If applicable, attach any thread protector or accessories as per instructions.

#### **4. Reassemble the Firearm:**

- Follow the manufacturer's guidelines to reassemble the firearm.
- Ensure all components are securely fastened.

#### **5. Final Check:**

- Conduct a visual inspection to confirm proper installation.
- Check for any movement or play in the barrel.

### **Usage Instructions**

- Before shooting, check that the barrel is securely installed.
- Use only 9mm Luger ammunition as specified.
- Regularly clean the barrel to maintain performance and safety.
- After each use, inspect the barrel for wear or damage.

### **Disposal Instructions**

- Dispose of the barrel in accordance with local regulations.
- If the barrel is damaged or no longer in use, consider recycling options where available.
- Do not dispose of the barrel in regular household waste.

### **Contact Information for Further Support**

For further support or inquiries regarding safety, installation, or product issues, please contact the manufacturer directly. Ensure you have the product details available for reference.

Thank you for prioritizing safety while using the TRUE BARREL FOR GLOCK 43/43X. Your careful attention to these guidelines will help ensure a safe and enjoyable experience.
