Safety Instruction Guide for Badger Ordnance Gas Cylinder Plug Valve Fixture

Introduction

Thank you for choosing the Badger Ordnance Gas Cylinder Plug Valve Fixture. This product is designed to hold the valve open while cleaning or refinishing your M1 series rifle. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always read and understand the instructions before use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- In case of any doubts or questions regarding safety, consult a professional.

Specific Safety Precautions for Use

- Use the fixture in a wellventilated area to avoid inhaling any harmful fumes.
- Always wear appropriate personal protective equipment (PPE), such as gloves and safety goggles, when using the fixture.
- Do not exceed the recommended pressure limits when using the fixture.
- Never attempt to modify or alter the fixture in any way.
- Keep flammable materials away from the area where the fixture is being used.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the rifle is unloaded and that the area is clear of any obstructions.
- Gather all necessary tools and equipment before starting the installation.

2. Installation:

- Position the Gas Cylinder Plug Valve Fixture securely on a stable surface.
- Align the valve of the M1 series rifle with the fixture.
- Carefully insert the valve into the fixture, ensuring it is held securely in place.

3. Usage:

- With the valve held open by the fixture, proceed with cleaning or refinishing the rifle as per your standard procedures.
- Monitor the fixture during use to ensure it remains secure and stable.
- After completing the cleaning or refinishing, carefully remove the rifle from the fixture.

4. PostUsage Care:

- Clean the fixture after use to remove any residue or contaminants.
- Store the fixture in a dry and safe place, away from direct sunlight and moisture.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding nonfood products.
- Do not dispose of the product in regular household waste if it contains hazardous materials.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries related to safety or product use, please refer to the EU contact point provided by the manufacturer.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your Badger Ordnance Gas Cylinder Plug Valve Fixture. Always prioritize safety and compliance with the relevant regulations. Thank you for your attention to these guidelines.
