# Safety Instruction Guide for 30MM OPTICS MOUNT DOUBLE RING DANIEL DEFENSE

## Introduction

Congratulations on your purchase of the 30MM OPTICS MOUNT DOUBLE RING by Daniel Defense. This product is designed to provide secure and reliable mounting for your optics. To ensure safe usage and optimal performance, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always inspect the mount for any damage before use.
- Ensure that the mount is compatible with your scope.
- Follow all installation instructions carefully to avoid accidents.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not exceed the recommended weight limit for the mount.
- Avoid exposing the mount to extreme temperatures or harsh chemicals.
- Ensure that all fasteners are tightened securely before use to prevent loosening during operation.
- If you notice any unusual wear or damage, discontinue use immediately and contact support.
- Use only Torx Plus fasteners as specified in the installation instructions.

## Instructions for Installation and Usage

### Installation Steps

- Preparation:** Gather all necessary tools, including Torx Plus fasteners.
- Positioning:** Align the mount with the scope tube.
- Securing the Mount:**
  - Insert the Torx Plus fasteners into the base and rings.
  - Tighten securely but do not overtighten to avoid damaging the mount or scope.
- Final Check:** Ensure that the mount is stable and securely attached before use.

### Usage Guidelines

- Always check the mount's stability before each use.
- Avoid using the mount in conditions that may compromise its integrity, such as heavy rain or mud.
- Store the mount in a dry place when not in use to prevent corrosion.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the mount in regular household waste.
- Consider recycling the aluminum material if possible.

## Contact Information for Further Support

For any questions or concerns regarding the safety and usage of your 30MM OPTICS MOUNT DOUBLE RING, please refer to the manufacturer's contact information provided in the product packaging.

Thank you for choosing Daniel Defense. Your safety is our priority.
