

# J-CLIP-R FOR RUGER LCR - ZETA6 J-CLIP-R 5 SHOT FOR RUGER LCR 2/PACK

[Shooting Accessories](#) > [Speedloaders & Accessories](#) > [Cylinder Speedloaders](#)

The J-CLIP-R™ is designed specifically to fit 5-shot J-frame size Ruger LCR and LCRx revolvers chambered in 38SP and 357 Magnum Only. Will not fit the 9mm Luger, 327 Federal Magnum, 22 LR or 22 WMR models. Pentagon shape for real fit Ruger LCR 38/357. The J-CLIP-R™ works great with Ruger factory grips. Made from tough BPA, BPS, BPF free polyurethane material for use in both hot and cold environments. The J-CLIP-R™ is difficult to align using full wadcutter and Federal HST +P Micro ammunition. The Zeta6™ J-CLIP-R™ is not recommended for Ruger LCR revolvers fitted with extra-large rubber or wooden grips.

# JCLIPR Safety Instructions

## Introduction

Thank you for choosing the JCLIPR™ for your Ruger LCR and LCRx revolvers. This safety instruction guide is designed to provide you with essential information to ensure safe and effective use of the product. Please read this guide carefully before using the JCLIPR™.

## General Safety Guidelines

- Ensure that the JCLIPR™ is compatible with your specific model of Ruger LCR or LCRx revolver, as it is designed for 5shot Jframe size models chambered in 38SP and 357 Magnum only.
- Always handle firearms responsibly and follow all safety protocols when using your revolver and accessories.
- Keep the JCLIPR™ out of reach of children and unauthorized users.
- Regularly inspect the JCLIPR™ for signs of wear or damage before each use. If any defects are found, discontinue use immediately.
- Be aware of your surroundings and ensure that you are in a safe environment when using the JCLIPR™.

## Specific Safety Precautions for Use

- Avoid using the JCLIPR™ with full wadcutter and Federal HST +P Micro ammunition as it may be difficult to align.
- The JCLIPR™ is not recommended for use with Ruger LCR revolvers fitted with extralarge rubber or wooden grips.
- Always ensure that the revolver is unloaded before installing or removing the JCLIPR™.
- Do not attempt to modify or alter the JCLIPR™ in any way, as this may compromise its safety and effectiveness.
- Follow all manufacturer guidelines related to the use and care of your Ruger revolver.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the revolver is unloaded and pointed in a safe direction.
- Align the JCLIPR™ with the cylinder of the Ruger LCR or LCRx.
- Press the JCLIPR™ firmly into place until it clicks securely.
- Confirm that the JCLIPR™ is properly installed and does not interfere with the operation of the revolver.

### 2. Usage:

- To load ammunition, ensure the revolver is still pointed in a safe direction.
- Insert the ammunition into the JCLIPR™ according to the orientation specified in the product instructions.
- Once loaded, ensure the revolver is ready for safe operation and follow standard firearm handling practices.

### 3. Removal:

- To remove the JCLIPR™, ensure the revolver is unloaded.
- Grasp the JCLIPR™ and pull it away from the cylinder until it is detached.
- Store the JCLIPR™ in a safe place when not in use.

## **Disposal Instructions**

- Dispose of the JCLIPR™ in accordance with local regulations for plastic materials.
- Do not throw the JCLIPR™ in regular household waste.
- If the product is damaged or no longer needed, consider recycling options available in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the JCLIPR™, please refer to the manufacturer's website or contact their customer support for assistance. Ensure you have the product details available for any inquiries.

By following these safety instructions, you can ensure the safe and effective use of the JCLIPR™ with your Ruger LCR or LCRx revolver. Always prioritize safety and responsible firearm handling.
