

# K-CLIP 6 SHOT SPEEDLOADER - ZETA6 K-CLIP 6 SHOT SPEEDLOADER 2/PACK

[Shooting Accessories](#) > [Speedloaders & Accessories](#) > [Cylinder Speedloaders](#)

Hexagon shape ensures real fit with 6-shot K-frame and D-frame size revolvers including: Smith & Wesson, Kimber, Taurus, Colt DS and others. Quickly loads six cartridges at one time. Smaller, more flexible than traditional speedloaders for better fit in pockets for EDC carry. K-CLIP™ works well with carry style grips. For reloading revolvers with large grips, use K-PAK™. Made from tough BPA, BPS, BPF free polyurethane material for use in both hot and cold environments. K-CLIP™ is difficult to align using full wadcutter and Federal HST +P Micro ammunition. Will not fit the Ruger® SP100, Colt Python or Smith & Wesson L-frame revolvers. The Zeta6™ K-CLIP™ Speed Loader will fit the following 6-round revolvers chambered in 38SP/357 Magnum: Smith and Wesson® 10, 11, 12, 13, 14, 15, 19, 64, 65, 66, 67, 68, 315 Colt® D-frames including: PPS, Detective Special, Agent, Cobra, King Cobra Kimber K6s Taurus™ 856, 65, 80, 82, 606, 669, 689 Dan Wesson® 38/357 K-frames Rossi® 38/357 K-frames Rock Island Armory M206 Ruger® Security/Speed/Service Six (tight fit) Will not fit Ruger GP100, Colt Python or Smith & Wesson L-frame revolvers.

# KCLIP 6 SHOT SPEEDLOADER ZETA6 Safety Instructions

## Introduction

Thank you for choosing the KCLIP 6 SHOT SPEEDLOADER ZETA6. This product is designed to assist in the quick reloading of 6shot Kframe and Dframe revolvers. To ensure your safety and the optimal use of this product, please read and follow all safety instructions and guidelines outlined in this document.

## General Safety Guidelines

- Ensure the KCLIP is compatible with your revolver model before use. The KCLIP is specifically designed for certain models, including Smith & Wesson and Colt Dframes.
- Always handle ammunition and firearms with care. Follow all standard safety practices for handling firearms.
- Keep the KCLIP out of reach of children and unauthorized users.
- Regularly inspect the KCLIP for any signs of wear or damage before use. Do not use if damaged.
- Do not use the KCLIP with full wadcutter and Federal HST +P Micro ammunition, as alignment may be difficult.
- Be aware that the KCLIP is not compatible with Ruger SP100, Colt Python, or Smith & Wesson Lframe revolvers.

## Specific Safety Precautions for Use

- Before loading, ensure the revolver is pointed in a safe direction and that it is unloaded.
- When using the KCLIP, do not exceed the manufacturer's recommended capacity of 6 cartridges.
- Use the KCLIP in a welllit area to ensure proper alignment and loading of cartridges.
- Avoid using excessive force when inserting or removing the KCLIP from the revolver.
- Use the KCLIP only for its intended purpose; do not modify or alter the product in any way.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your revolver is unloaded and pointed in a safe direction.
- Check that the KCLIP is clean and free from any obstructions.

### 2. Loading the KCLIP:

- Hold the KCLIP with the hexagon shape facing upwards.
- Insert six cartridges into the KCLIP, ensuring they are seated properly.
- Make sure the cartridges are aligned correctly for a smooth loading process.

### 3. Using the KCLIP with Your Revolver:

- Position the KCLIP over the cylinder of your revolver.
- Press down firmly but gently to ensure the cartridges align with the chambers.
- Release the KCLIP, allowing the cartridges to fall into place.

### 4. PostUse:

- After use, remove the KCLIP from the revolver and check that no cartridges are left in the KCLIP.
- Store the KCLIP in a safe location, away from children and unauthorized users.

## Disposal Instructions

- Dispose of the KCLIP responsibly. If it is damaged or no longer in use, follow local regulations for plastic waste disposal.
- Do not dispose of the KCLIP in a manner that could pose a safety risk to others.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the KCLIP 6 SHOT SPEEDLOADER ZETA6, please refer to the product packaging for the appropriate contact information. Ensure you have the product details ready when seeking assistance.

By following these safety instructions, you can ensure a safe and effective experience with your KCLIP 6 SHOT SPEEDLOADER ZETA6. Always prioritize safety when handling firearms and ammunition.
