# KPAK 6 SHOT SPEEDLOADER USER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the KPAK 6 Shot Speedloader. This product is designed to enhance the loading efficiency of 6shot Kframe and Dframe size revolvers. Please read these safety instructions carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always handle firearms and ammunition with care and follow all applicable laws and regulations.
- Ensure the KPAK Speedloader is compatible with your specific revolver model.
- Keep the Speedloader out of reach of children and unauthorized users.
- Regularly inspect the Speedloader for any signs of wear or damage before use.
- Report unsafe products and accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not use the KPAK Speedloader with Ruger® revolvers, as it will not fit correctly.
- Ensure the Speedloader is loaded in a safe environment, away from people and animals.
- Always point the firearm in a safe direction when using the Speedloader.
- Do not attempt to modify or alter the Speedloader in any way.
- Avoid using the Speedloader in extreme temperatures that could affect its performance.
- Store the Speedloader in a cool, dry place when not in use.

## Instructions for Installation and Usage

### 1. **Compatibility Check:** Verify that your revolver is one of the compatible models listed:

- Smith and Wesson®: 10, 11, 12, 13, 14, 15, 19, 64, 65, 66, 67, 68, 315
- Colt® Dframes: PPS, Detective Special, Agent, Cobra, King Cobra
- Kimber K6s
- Taurus™: 856, 65, 80, 82, 606, 669, 689
- Dan Wesson®: 38/357 Kframes
- Rossi®: 38/357 Kframes
- Rock Island Armory: M206
- Ruger®: Security/Speed/Service Six (tight fit)

Note: The KPAK Speedloader will not fit Ruger GP100, Colt Python, or Smith & Wesson Lframe revolvers.

### 2. **Loading Instructions:**

- Hold the Speedloader with the rounds facing down.
- Insert three rounds into the Speedloader, ensuring they are seated properly.
- Align the Speedloader with the cylinder of the revolver.
- Press the Speedloader down firmly until the rounds are released into the cylinder.

### 3. **Unloading Instructions:**

- To unload the revolver, ensure it is pointed in a safe direction.
- Open the cylinder and remove the rounds manually.

#### **4. Storage:**

- Store the Speedloader in a secure location, away from children and unauthorized users.
- Avoid exposing the Speedloader to moisture or extreme temperatures.

## **Disposal Instructions**

- Dispose of the KPAK Speedloader in accordance with local regulations.
- Recycle any packaging materials if possible.
- Do not dispose of the Speedloader in regular household waste if it is damaged or no longer functional.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the KPAK 6 Shot Speedloader, please reach out to the manufacturer or authorized dealer for assistance.

Thank you for prioritizing safety and compliance while using the KPAK 6 Shot Speedloader. Your attention to these guidelines helps ensure a safe and enjoyable experience with your revolver.
