

JP-5 COMPETITION PCC 9MM - JP-5 COMPETITION 9MM 14.5"

[Firearms](#) > [Rifles](#) > [Semi-Auto](#)

In the world of Pistol Caliber Carbines, JP has become the industry standard with the unmatched reliability and accuracy of our GMR-15™ platform. Never ones to rest on our laurels, we've pushed PCC design to the edge with the state-of-the-art JP-5™. This 9mm carbine combines every advantage of its predecessor with the legendary function of the H&K MP5. The result is a PCC that is all things to all shooters. In addition to a lighter overall weight, the roller-delayed operating system of the JP-5™ replicates the supreme recoil management of the MP5. The result is a soft-shooting carbine with radically faster sight recovery and target indexing. Utilizing standard Glock 9mm magazines, the JP-5™ lower receiver features ambi. controls and maintains signature AR-15 ergonomics and height-over-bore. The operating system also accepts most MP5 aftermarket components. The JP-5™ is tunable in both the Silent Captured Spring buffer system and lock piece to accommodate suppressed use as well as varying barrel length and ammunition.

Attributes

- Name: [JP-5 COMPETITION 9MM 14.5"](#)
- Manufacturer: [J P ENTERPRISES](#)
- Product no.: 100042870

JP5 Competition PCC 9MM Safety Instruction Guide

Introduction

Thank you for choosing the JP5 Competition PCC 9MM. This product is designed for safe and effective use in various shooting applications. To ensure your safety and the safety of others, please read and follow these safety instructions carefully. This guide is compliant with the EU General Product Safety Regulation (GPSR) and aims to provide you with essential information regarding the safe use and handling of your firearm.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Be sure of your target and what is beyond it.
- Keep your finger off the trigger until you are ready to shoot.
- Store the firearm securely and out of reach of children and unauthorized users.
- Regularly inspect your firearm for any signs of wear or damage.
- Use only the appropriate ammunition specified for this firearm.
- Follow all local, state, and national laws regarding firearm ownership and use.

Specific Safety Precautions for Use

- **Age Restrictions:** This firearm is intended for use by individuals aged 18 years and older. Ensure that younger individuals are supervised by a qualified adult at all times.
- **Protective Gear:** Always wear appropriate eye and ear protection while shooting.
- **Environment:** Use the firearm only in designated shooting ranges or areas where shooting is permitted.
- **Handling:** Avoid sudden movements or actions that could lead to accidental discharge.
- **Cleaning and Maintenance:** Ensure the firearm is unloaded before cleaning. Follow the manufacturer's instructions for cleaning and maintenance.

Instructions for Installation and Usage

Installation

1. **Check the Firearm:** Ensure the firearm is unloaded before any installation.
2. **Attach Accessories:** If applicable, securely attach any accessories (e.g., sights, grips) according to the manufacturer's instructions.
3. **Inspect the Assembly:** Doublecheck that all components are securely installed and functioning correctly.

Usage

1. **Loading the Firearm:**
 - Use only Glock 9mm magazines compatible with the JP5™.
 - Insert the magazine into the lower receiver until it clicks into place.
 - Pull the charging handle to chamber a round.
2. **Firing:**
 - Ensure the firearm is pointed downrange.
 - Aim at your target.

- Place your finger on the trigger only when ready to fire.
- Squeeze the trigger smoothly to fire.

3. Unloading the Firearm:

- Remove the magazine from the firearm.
- Pull the charging handle to eject any chambered round.
- Visually and physically inspect the chamber to ensure it is empty.

4. PostUse:

- Clean the firearm following the manufacturer's instructions.
- Store the firearm safely in a secure location.

Disposal Instructions

- Dispose of the firearm responsibly and in accordance with local laws and regulations.
- If the firearm is no longer functional, contact a licensed firearms dealer or professional for disposal.
- Do not attempt to dismantle the firearm beyond standard cleaning procedures.

Contact Information for Further Support

For any questions or concerns regarding the JP5 Competition PCC 9MM, please refer to the manufacturer's customer service or support resources. It is essential to keep informed about any safety recalls or updates related to your product.

Conclusion

Safety is paramount when handling firearms. By following the guidelines and precautions outlined in this instruction guide, you can help ensure a safe and enjoyable shooting experience with your JP5 Competition PCC 9MM. Always stay informed about safety protocols and legal requirements regarding firearm use in your area. Thank you for your commitment to responsible firearm ownership.
