# S&W Revolver Firing Pin Kit Safety Instructions

## Introduction

Thank you for choosing the S&W Revolver Firing Pin Kit by Apex Tactical Specialties Inc. This product is designed for use with Smith & Wesson J, K, L, and Nframe revolvers. It is important to follow these safety instructions to ensure safe and effective use of the firing pin kit.

## General Safety Guidelines

- Always handle firearms with care and follow all safety protocols.
- Ensure that your revolver is unloaded before performing any installation or maintenance.
- Store the firing pin kit and all firearm components out of reach of children and unauthorized users.
- Be aware of the specific regulations and laws regarding firearms in your area.
- Regularly inspect your revolver and firing pin for wear or damage.
- If you experience any issues with your revolver or the firing pin, consult a qualified gunsmith.

## Specific Safety Precautions for Use

- The firing pin kit is designed specifically for modern J, K, L, and Nframe Smith & Wesson revolvers with a framemounted firing pin.
- Do not use the firing pin kit in rimfire model revolvers.
- Ensure that the installation is performed in a clean and safe environment.
- Use protective eyewear when installing or handling the firing pin.
- Avoid using excessive force during installation to prevent damage to the revolver or the firing pin.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the revolver is unloaded.
- Gather all necessary tools for installation.

### 2. Installation Steps:

- Remove the existing firing pin and spring from the revolver.
- Carefully install the new revolver firing pin into the designated slot.
- Install the reduced power firing pin return spring, ensuring it is seated properly.
- Doublecheck that all components are securely in place before reassembling the revolver.

### 3. Usage:

- After installation, test the revolver in a safe environment to ensure proper function.
- Monitor the performance of the firing pin during use and be alert for any signs of malfunction.

## Disposal Instructions

- Dispose of any old or unused parts in accordance with local regulations.
- Do not discard any components in regular household waste.
- Contact your local waste management authority for guidance on the safe disposal of firearm components.

## Contact Information for Further Support

For any questions or concerns regarding the S&W Revolver Firing Pin Kit, please refer to the manufacturer's contact information provided with your product. It is important to seek assistance from qualified professionals for any technical inquiries or safety concerns.

This safety instruction guide is designed to help you safely and effectively use the S&W Revolver Firing Pin Kit. Always prioritize safety and seek professional assistance when needed. Thank you for your attention to these important guidelines.
