FN/FNS Longslide Action Enhancement Trigger Kit Safety Instructions

Introduction

Thank you for choosing the FN/FNS Longslide Action Enhancement Trigger Kit from Apex Tactical Specialties Inc. This guide provides essential safety instructions and guidelines to ensure the safe use of your new trigger kit. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure the trigger kit is compatible with your FN model pistol (FNS and FNS Longslide). This kit is not suitable for FN 509, FNS Compact models, or FN 503.
- Always treat your firearm as if it is loaded. Keep the firearm pointed in a safe direction at all times.
- Store your firearm and trigger kit in a secure location, away from children and unauthorized users.
- Regularly inspect the trigger kit for any signs of wear or damage. If you notice any issues, discontinue use immediately and consult a qualified gunsmith.
- Follow all local laws and regulations regarding firearm modifications and usage.

Specific Safety Precautions for Use

- Only use the trigger kit in a welllit and safe environment.
- Wear appropriate safety gear, including safety glasses, when handling firearms and during installation.
- Avoid distractions while installing or using the trigger kit.
- Ensure the firearm is unloaded before beginning the installation process.
- Do not attempt to modify or disassemble the trigger kit beyond the installation instructions provided.

Instructions for Installation and Usage

1. Preparation

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including a punch tool and a small hammer.

2. Installation Steps

- Remove the slide from the firearm according to the manufacturer's instructions.
- Carefully remove the factory trigger and trigger bar from the frame.
- Install the Action Enhancement Trigger with the Apex Trigger Bar by following these steps:
 - Align the trigger bar with the trigger and insert it into the trigger housing.
 - Ensure the trigger is seated correctly and that all components are aligned.
- Reassemble the slide and frame of the firearm, ensuring all parts are secure.
- Perform a function check to confirm that the trigger operates correctly.

3. Usage Guidelines

- After installation, familiarize yourself with the new trigger feel and characteristics.
- Practice safe handling and shooting techniques at a controlled range.
- Regularly check the trigger pull weight and functionality to ensure safe operation.

Disposal Instructions

- Dispose of any packaging materials responsibly and in accordance with local waste disposal regulations.
- If the trigger kit needs to be disposed of, consult local laws regarding the disposal of firearm accessories. Consider contacting a local gunsmith for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or installation, please refer to the manufacturer's website or customer service for assistance.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your FN/FNS Longslide Action Enhancement Trigger Kit. Thank you for prioritizing safety!
