

# JUNIOR ULTRAMOUNTS - INLINE FABRICATION HORNADY SINGLE STAGE CLASSIC PRESS JUNIOR ULTRAMOUNT

[Reloading](#) > [Reloading Presses](#) > [Reloading Press Accessories](#)

Super solid 3\16 steel construction, accessible lower storage tray and coated in beautiful black powdercoat are all features of this high quality piece of reloading equipment. Lifts your press up 9 3/4" to get that shellplate closer to your eyes. All InLine Fabrications Ultramount's are modular in design, so they lend themselves to fit any reloading press available today. So down the road, if you decide to change presses, or use one Ultramount for multiple presses, all you have to do is swap the top plate to the new press. Available (Here) The new top plates come powdercoated to match and include the required hardware to attach your new press. The Junior Ultramount is 12" wide, 11.5" deep and 7 1/2" tall.

# JUNIOR ULTRAMOUNTS INLINE FABRICATION HORNADY SINGLE STAGE CLASSIC PRESS JUNIOR ULTRAMOUNT Safety Instruction Guide

## Introduction

Thank you for choosing the Junior Ultramount Inline Fabrication Hornady Single Stage Classic Press. This guide provides important safety instructions to ensure the safe use and installation of your reloading press. Please read this guide carefully before using the product.

## General Safety Guidelines

- Always keep the reloading area clean and free from clutter.
- Ensure that the press is installed on a stable and secure surface.
- Use protective eyewear while operating the press to protect against debris.
- Keep out of reach of children and vulnerable individuals.
- Do not exceed the manufacturer's recommended load limits.
- Always follow the manufacturer's instructions for the specific reloading equipment you are using.
- Regularly inspect the press and accessories for signs of wear or damage.

## Specific Safety Precautions for Use

- Ensure that all components are securely attached before use.
- Avoid wearing loose clothing or jewelry that could become caught in moving parts.
- Use only the recommended tools and accessories for your press.
- Do not attempt to modify or alter the press in any way.
- If you experience any unusual noises or malfunctions, stop using the press immediately and consult the manufacturer.

## Instructions for Installation and Usage

### Installation

1. **Select a Location:** Choose a stable surface that can support the weight of the press and any additional equipment.
2. **Attach the Ultramount:**
  - Place the Junior Ultramount on the selected surface.
  - Use the provided hardware to securely attach the Ultramount to the surface.
3. **Install the Reloading Press:**
  - Position your reloading press on top of the Ultramount.
  - Align the press with the holes in the top plate.
  - Use the included hardware to secure the press to the Ultramount.

### Usage

1. **Prepare the Workspace:** Ensure that your workspace is clean and organized.
2. **Load the Press:** Follow the specific instructions for your reloading press to load materials safely.
3. **Operate the Press:**
  - Use a steady and controlled motion when operating the press.
  - Maintain focus and avoid distractions while using the equipment.
4. **PostUsage Care:** After use, clean the press and Ultramount to remove any debris or residue.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local recycling regulations.
- If the press or Ultramount becomes damaged beyond repair, follow local guidelines for the disposal of metal and other materials.

## **Contact Information for Further Support**

For any safety inquiries or further support, please refer to the manufacturer's contact information provided with your product packaging.

By following these guidelines, you can ensure the safe and effective use of your Junior Ultramount Inline Fabrication Hornady Single Stage Classic Press. Thank you for prioritizing safety in your reloading activities.
