

MICRO ULTRAMOUNTS - INLINE FABRICATION HORNADY SINGLE STAGE IRON PRESS MICRO ULTRAMOUNT

[Reloading](#) > [Reloading Presses](#) > [Reloading Press Accessories](#)

Super solid 3\16 steel construction, accessible lower storage tray and coated in beautiful black powdercoat are all features of this high quality piece of reloading equipment. Lifts your press up 9 3/4" to get that shellplate closer to your eyes. All InLine Fabrications Ultramount's are modular in design, so they lend themselves to fit any reloading press available today. So down the road, if you decide to change presses, or use one Ultramount for multiple presses, all you have to do is swap the top plate to the new press. Available (Here) The new top plates come powdercoated to match and include the required hardware to attach your new press. The Micro Ultramount is 12" wide, 11.5" deep and 4" tall.

Safety Instruction Guide for MICRO ULTRAMOUNTS INLINE FABRICATION HORNADY SINGLE STAGE IRON PRESS MICRO ULTRAMOUNT

Introduction

Thank you for choosing the MICRO ULTRAMOUNTS INLINE FABRICATION HORNADY SINGLE STAGE IRON PRESS MICRO ULTRAMOUNT. This guide provides essential safety instructions to ensure the safe and effective use of this reloading equipment. Please read and understand all instructions before using the product.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as specified in this manual.
- Always inspect the Ultramount for any signs of damage before installation and use.
- Keep the workspace clean and organized to prevent accidents.
- Ensure that children and pets are kept away from the workspace during operation.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when operating the equipment.
- In case of any malfunction or damage, discontinue use immediately and contact the manufacturer for guidance.

Specific Safety Precautions for Use

- The Ultramount is designed to hold reloading presses securely. Ensure that the press is properly attached before use.
- Do not exceed the weight limit specified by the manufacturer for the Ultramount.
- Avoid placing any objects on or around the Ultramount that may obstruct its operation or cause hazards.
- Always follow the manufacturer's instructions for the specific reloading press being used with the Ultramount.
- Be cautious of sharp edges or moving parts when adjusting or using the Ultramount.
- If using power tools for installation, follow the manufacturer's safety instructions for those tools.

Instructions for Installation and Usage

1. Installation

- Unbox the MICRO ULTRAMOUNTS INLINE FABRICATION HORNADY SINGLE STAGE IRON PRESS MICRO ULTRAMOUNT and check for all components.
- Locate the installation area on a sturdy, flat surface.
- Attach the lower storage tray to the Ultramount using the provided hardware.
- Secure the Ultramount to the surface using appropriate fasteners (not included) to ensure stability.
- Place the reloading press on top of the Ultramount and align it with the top plate.
- Use the provided hardware to secure the reloading press to the Ultramount.

2. Usage

- Once installed, adjust the height of the Ultramount to lift the press up 9 3/4" for optimal visibility.
- Ensure that all components are tightened and secure before beginning any reloading operations.
- Follow the specific operational instructions for your reloading press while using the Ultramount.

Disposal Instructions

- Dispose of packaging materials in accordance with local regulations.
- If the Ultramount is no longer in use, consider recycling it if possible.
- Do not dispose of the Ultramount in regular household waste. Check with local waste management for proper disposal methods for metal products.

Contact Information for Further Support

For any safety inquiries, concerns, or to report unsafe products, please reach out to the appropriate EU-based contact or authority.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy using the MICRO ULTRAMOUNTS INLINE FABRICATION HORNADY SINGLE STAGE IRON PRESS MICRO ULTRAMOUNT.
