TSeries JACKET SLOT BELT LOOP SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the TSeries™ Jacket Slot Belt Loop by BLACKHAWK. This product is designed to enhance your experience with Blackhawk injection molded holsters. Please read this safety instruction guide carefully to ensure safe usage and compliance with EU safety regulations.

General Safety Guidelines

- Ensure that the product is used only as intended.
- Regularly inspect the product for any signs of wear or damage.
- Keep out of reach of children unless supervised by an adult.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Check that the Jacket Slot Belt Loop is securely attached to your holster before use.
- Avoid using the product if it shows any signs of damage or wear.
- Do not exceed the weight limit for the holster when using the Jacket Slot Belt Loop.
- Ensure that the belt loop is adjusted properly to prevent slippage during use.
- Use caution when drawing or reholstering your firearm to avoid accidental discharge.

Instructions for Installation and Usage

1. Installation:

- Ensure that the holster is clean and free from debris.
- Align the Jacket Slot Belt Loop with the designated slot on the holster.
- Push the belt loop into the slot until it clicks into place, indicating a secure fit.
- Test the stability of the loop by gently pulling on it before use.

2. Usage:

- Slide your belt through the loop to secure the holster to your waist.
- Adjust the belt tension to ensure a snug fit without discomfort.
- When drawing the firearm, maintain a firm grip on the holster to prevent it from moving.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling the materials if possible.
