

T-SERIES JACKET SLOT LEG STRAP ADAPTER - BLACKHAWK T-SERIES JACKET SLOT LEG STRAP ADAPTER BLACK

[Shooting Accessories](#) > [Holsters & Belt Gear](#) > [Holster Accessories](#)

The Blackhawk T-Series Jacket Slot Leg Strap Adapter has a triangular shaped adapter that tapers up to a single pivot point, which mounts using the bottom screw hole of the existing 3 screw Blackhawk mounting system. The adapter affixes to the Jacket Slot system via a single aluminum bushing, through the existing bottom screw hole. The Jacket Slot Leg Strap Adapter comes with a single 1.5" leg strap with elastic webbing woven with rubber to enhance grip and reduce unwanted movement throughout the day. Its height adjustable design allows end user to adjust ride height and reduce crowding. The brilliance behind the design allows the pistol to stay upright and in the optimal drawing position, regardless of your leg position and is great for the tactical shooter or patrol officer who doesn't want a dedicated drop leg system, but still prefers the added security of a single, high ride leg strap.

Attributes

- Name: [BLACKHAWK T-SERIES JACKET SLOT LEG STRAP ADAPTER BLACK](#)
- Manufacturer: [BLACKHAWK](#)

Safety Instruction Guide for Blackhawk TSeries Jacket Slot Leg Strap Adapter

Introduction

Thank you for choosing the Blackhawk TSeries Jacket Slot Leg Strap Adapter. This guide provides essential safety instructions to ensure safe use of the product. Please read this guide carefully before using the adapter to maximize safety and performance.

General Safety Guidelines

- Always ensure the adapter is securely attached before use.
- Regularly inspect the adapter for signs of wear or damage.
- Do not use the adapter if it is damaged or has missing parts.
- Store the adapter in a cool, dry place away from direct sunlight.
- Keep the adapter out of reach of children and pets.

Specific Safety Precautions for Use

- Ensure that the leg strap is adjusted to fit snugly but comfortably around your leg.
- Avoid using the adapter in situations where it may become entangled with other gear or equipment.
- Be cautious when drawing your pistol to prevent accidental discharge.
- Do not exceed the recommended weight limit of the leg strap.
- If you experience discomfort or restricted movement while using the adapter, discontinue use immediately.

Instructions for Installation and Usage

1. Installation:

- Locate the bottom screw hole of your existing Blackhawk mounting system.
- Attach the triangular shaped adapter using the bottom screw hole.
- Secure the adapter with the provided screw, ensuring it is tightly fastened.
- Insert the aluminum bushing through the existing bottom screw hole to affix the adapter to the Jacket Slot system.

2. Adjusting the Leg Strap:

- Take the 1.5" leg strap and place it around your thigh.
- Pull the strap to adjust the fit, ensuring it is snug but not overly tight.
- Use the elastic webbing to enhance grip and reduce unwanted movement.
- Adjust the height of the adapter to achieve your desired ride height.

3. Using the Adapter:

- Ensure your pistol is securely holstered in the adapter.
- Maintain a proper stance and grip when drawing your pistol.
- Be aware of your surroundings and ensure a clear path when drawing your firearm.

Disposal Instructions

- Dispose of the adapter in accordance with local waste disposal regulations.
- Do not dispose of the adapter in regular household waste if it is damaged or nonfunctional.

- Consider recycling the materials if possible.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the Blackhawk TSeries Jacket Slot Leg Strap Adapter, please contact the manufacturer or refer to the product packaging for additional information.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your Blackhawk TSeries Jacket Slot Leg Strap Adapter. Always prioritize safety and responsible use. Thank you for your attention to these important guidelines.
